Get your FREE COMPOST!

Cupertino residents can pick up free compost from Cupertino's compost site.

Weather permitting, the site is open:

Fridays & Saturdays, 8am-12pm

March 18-October 29th

@12100 Stevens Canyon Road

Across from Stevens Creek Reservoir

NOTE: The compost site is CLOSED during rainy weather or muddy conditions to comply with State stormwater requirements. The compost site is also closed on the 4th of July.

Contact Information

For recorded information, call (408) 777-1320 or visit www.cupertino.org/compost. To find out if the compost site is open call (408) 777-3354, Monday-Friday 8:30am-4:30pm.

About the compost

The compost is made from yard & food waste the City's organics recycling program collects. Using compost can improve soil quality, water retention, and contribute to a healthy garden.

RULES & PROCEDURES

Please abide by the following:

1. Follow directions from attendant regarding parking.
2. Do NOT block the Sunnyvale Rod & Gun Club entrance.
2. Bring:
   a) Your driver's license or valid CA ID to verify Cupertino residency
   b) Heavy duty plastic bags or garbage cans
   c) Shovels
   d) A helper (There are no staff to help you at the compost site)
   e) A tarp & tie-downs to cover the load in your truck bed or protect your trunk
3. Residents are limited to 15 minutes of shoveling if other cars are waiting
