Bidders for Wilson Park Building and Landscape Improvement Project

Re: Rejection of All Bids Received

Dear Bidder:

On June 30, 2015 the City of Cupertino (City) received four (4) bids for the Wilson Park Building and Landscape Improvement Project. In accordance with the Cupertino Municipal Code, the City evaluated the apparent low bidder to determine compliance with the bid requirements. The apparent low bid and the second apparent low bid were found to be non-responsive as the liability insurance provided did not meet the City's minimum requirements. Upon evaluation of the third apparent low bidder, it was discovered that the bidder has a suspended contractor's license. The highest bid far exceeded the City's expected expenditure.

Therefore, the City is rejecting all bids and returning bid bonds and Statements of Qualifications (Envelope B), opened and unopened. The Wilson Park Building and Landscape Improvement Project will be re-bid at a later date yet to be determined. The notice of advertisement and other contract documents will be available at <http://www.cupertino.org/index.aspx?page=119>.

If you have any further questions or concerns, feel free to contact Alex Acenas, Public Works Project Manager, at (408) 777-3232 or e-mail to alexa@cupertino.org.

Sincerely,
