

Instructions:

- 1) *SRTS team members (Education, Outreach/Encouragement, or Evaluation) at this table please summarize, for the rest of the group, some of the highlights from our first team meeting (use "SR2S Team Highlights" handout for reference)*
 - 2) *As a group, please answer the questions below*
- Would your school be supportive of running an encouragement campaign or holding a celebration event for [International Walk to School Week](#) (October 5th – 11th)? Who would be interested in working on this (names, contact info)?

- What events at your school would a Safe Routes to School presentation or Sheriff's Office presentation be helpful and reach a large amount of people? (If you'd like to request a presentation from our City Coordinator please email saferoutes@cupertino.org with a request. For an SRO presentation, please contact SCC Sheriff's Dept.)

- At your school, what are the most dynamic communication channels for Safe Routes to School information to reach parents, and who is in charge of those channels?

- What are the best ways to persuade parents to participate in taking a Safe Routes to School survey and who should give instructions to do so? (School Principals, School District staff, etc??)

- What are the best ways to persuade teachers to gather Safe Routes to School hand tally data from their students in class and who should give instructions to do so? (School Principals, School District staff, etc??)

- If we were to create a short, online “Safe Driving Review Quiz” for parents and students, what would be helpful for getting students and parents participate to take it?

- **Meeting feedback** (How did you like the format of this meeting? What would you like to see happen at our next working group meeting? What days and times are best for future meetings?)
