

Cupertino Safe Routes 2 School Program

Mission Statement: “Create a safer environment for students and families in Cupertino to travel to and from school actively.”

My Role: What is your role in the Cupertino SR2S (it could be multiple roles)?

Education Strategies Brainstorm

- How do we embed bicycle/pedestrian safety education into K-12 school curriculum? (list barriers and benefits)

- How can we increase parent attendance and participation at safety events/workshops? (list barriers and benefits)

- How do we reach drivers (both teens and adults) with safety education? (list barriers and benefits)

My Action Items

Based upon your role, please list the action items you have to complete by our next Working Group Meeting.
