

Drop-Off Sites for Mercury Containing Products and Other Hazardous Items

Some common household items, collectively referred to as “universal waste,” are toxic or environmentally harmful. It is **ILLEGAL** to dispose of universal waste items in the trash. Here are some tips on how to safely dispose of universal waste:

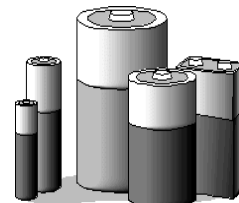

FLUORESCENT LIGHTS: For compact bulbs (CFLs) and linear, circular, spiral, & U-bent tubes...

- Place them in a sealed plastic bag on top of your blue recycling cart
- Call WM At Your Door Services - www.wmatyourdoor.com or (800) 449-7587
- Drop-off lights at:
 - ⇒ Galaxy Lighting — 12312 Saratoga-Sunnyvale Road, Saratoga
 - ⇒ Home Depot (CFLs only) — 975 S De Anza Blvd, San Jose & other locations
 - ⇒ Orchard Supply — 777 Sunnyvale-Saratoga Rd, Sunnyvale & other locations

BATTERIES: For AAA, AA, C, D button cell, 9-volt and rechargeable batteries...

- Tape the positive terminal of household batteries (alkaline & lithium) and place them into a clear plastic bag on top of your blue recycling cart
- Call WM At Your Door Services - www.wmatyourdoor.com or (800) 449-7587
- Drop-off batteries at:
 - ⇒ Batteries N' Bulbs — 111 W El Camino Real, Sunnyvale
 - ⇒ Home Depot — 975 S De Anza Blvd, San Jose & other locations

MERCURY THERMOMETERS

- Drop-off thermometers at:
 - ⇒ West Valley College Student Health Services — 14000 Fruitvale Ave, Saratoga, (408) 741-2027
 - ⇒ De Anza College Student Health Services — 21250 Stevens Creek Blvd, (408) 864-8732
- Call WM At Your Door Services - www.wmatyourdoor.com or (800) 449-7587
