ABOUT US

GreenBiz Cupertino is a free City program that assists and recognizes businesses and organizations that commit to protecting the environment and improving public health.

GreenBiz scaffolds the statewide Green Business Program and supports businesses and organizations as they navigate the certification process.

WHAT DOES IT MEAN TO BE A CERTIFIED GREEN BUSINESS?

Certified Green Businesses go beyond compliance and are recognized for achieving advanced environmental standards in:

Solid Waste

Health & Wellness

Energy Conservation

Pollution Prevention

Water Conservation

Wastewater

HOW IT WORKS

GreenBiz helps green your business with the following step-by-step support:

1 SITE ASSESSMENT

GreenBiz staff evaluate sustainability measures that are already a part of your daily operations.

2 CUSTOMIZED ACTION PLAN

Measures required for certification are identified and an action plan is created for your business.

3 ACCESS FREE SUPPORT & EQUIPMENT

Receive free energy, water, and waste assessments, equipment installations, and products.

4 COUNTY VERIFICATION

Santa Clara County verifies your achievement of program standards.

5 RECEIVE GREEN BUSINESS CERTIFICATION

Your business is recognized as a Certified Green Business with a commitment to sustainable operations and a marketing edge over competition!

Certified Green Businesses recognized by Cupertino City Council in 2013.
