NEXT WE HAVE A HISTORIC EXPLORATION OF NAPA

After touring the restaurants, we will have time to explore the vibrant Oxbow public market in downtown Napa. "Artist of the Valley," the gallery of the Napa Valley Art Association, is a place where you can view the creative and varied work of regional artists in a variety of mediums.

You could take a stroll around the town for the Napa Art Walk where you will see all the current sculptures on display. There is "Alice's Napa Vintage Market," where you can find vintage repurposed, shabby, chic, European and antique home decor. Or "Antiques on Second," a fabulous antique store. So many quaint little shops to see and browse.
