CRUISE THE SLOUGH

Marine Mammal & Baby Cruise

Friday, April 15 - 7:15am - 4:15pm

Do you love watching the new life that comes in Spring? This is an excellent time to Cruise the Slough to see all of the harbor seal mothers and pups, as well as other marine mammals, on this special 'Baby' tour only offered in the Spring in Moss Landing.

Come join us on two truly delightful private tours!

First, enjoy a relaxing guided pontoon boat ride through the estuary of the Elkhorn Slough. Our expert naturalist will guide us through the fantastic variety of wildlife, such as playful sea otters, curious harbor seals, seal lions, hundreds of species of birds and much more.

The tour will provide excellent opportunities to view and photograph wildlife close up, while getting an in-depth look at slough ecology, fascinating history, and birding in the company of our local field biologist.

There's Much More On This Unique Trip - Turn the Page!

Elkhorn Slough Nature Reserve - "Slough 'n Easy" Walk

Next, enjoy a short docent led stroll from the Elkhorn Slough National Estuarine Research Reserve (ESNERR) Visitor Center to an overlook high above the estuary. The Reserve is a hotspot of biodiversity, and offers many great opportunities to take beautiful photographs of landscapes, wildlife, and more! The Visitor Center is home to fun and informative exhibits, a nature bookstore, and staffed with knowledgeable naturalists who can answer your questions.

To top it all off, enjoy a hosted lunch at the famous Phil's Fish Market & Eatery.

ACTIVITY LEVEL: Moderate, walking, standing and sitting.

COST:
\$123

TRIP INCLUDES: Cruise and Nature Center admissions, guided tours, lunch at Phil's, transportation, tips and travel staff.

Itinerary is subject to change.
