# A Taste Of Germany

Thursday, March 24 - 10:30am-5:30pm

The award winning **21<sup>st</sup> Amendment Brewery** celebrates the culture of the great breweries of old, creating unique, hand-crafted beers. In 2015, they opened an impressive production brewery and tasting room in San Leandro, Their Brew Masters will give us an in-depth tour into the intricacies of craft brewing. After, there will be a variety of exciting new releases in the tasting room.

We will be having lunch at the popular Speisekammer Restaurant, a quaint German eatery and bar offering classic dishes, located in beautiful Alameda, California. This festive and decorative restaurant will make us feel like we just traveled to Germany!

Our lunch will feature a buffet with many delicious options to choose from. Some of the lunch items will include German salad, baked cheese spaetzle, a variety of sausages and brats, and much more!

To add to our wonderful day, we will be going to Swiss Delices Bakery & Café for dessert. There we will delight in German pastries and European delicacies. The bakers will explain to us how our pastries were made and answer any and all of your baking questions! You will also have the opportunity to purchase decadent home-made treats from their bakery such as macarons, fruit tarts, Danish and much more.
