Registration & General Information

Parent FAQ – Before & Afterschool Enrichment (BASE) Program

Q: Who is responsible for the Before and After School Enrichment (BASE) classes?

A: The Before & After School Enrichment Program is organized by the City of Cupertino's Recreation and Community Services Department. All registration, scheduling, and classes are managed by Recreation staff. Any and all questions regarding BASE should be directed to the Quinlan Community Center at 408-777-3120 or recreation@cupertino.org. The Cupertino Union School District (CUSD) does NOT organize any part of BASE.

Q: How can I register for this program?

A: Parents may register their child for a BASE class in one of three ways:

1. Online: visit www.reg4rec.org and use your Cupertino Recreation account and PIN. Don't have an account? No problem. Call us at 408-777-3120 to set it up!
2. Fax: complete the registration form and fax to 408-777-1305. Receipts are mailed within 10 days.
3. In-Person: visit the Quinlan Community Center (10185 N. Stelling Rd. Cupertino, CA 95014) during our open hours.

Q: I don't see the class I want being offered at my school. How can I bring new classes to my school campus?

A: If you would like to see a specific class offered at your school, please contact your school principal. Cupertino Recreation may be able to provide the instructor, but the school space is limited at the discretion of school administration.

Q: Do you provide before and after school supervision?

A: Most of our enrichment classes are coordinated to begin 5-10 minutes after student dismissal; however, if your child's class is not set to start during this intermission time period, it is the parent's responsibility to provide their child with the necessary supervision. Cupertino Recreation or its contractual instructors do not provide supervision for students in between school end time and enrichment start time. Additionally, CUSD staff is NOT responsible for monitoring students after school dismissal time.

Q: What should my child do on the first day of class?

A: Unless the school site has requested otherwise, students should meet their instructor inside the scheduled room location.

Q: What happens if I am late to pick up my child?

A: If you are running late to pick up your child from our program, please immediately contact our front office at 408-777-3120. Repeated tardiness may result in the cancellation of your class registration without a refund.

Q: The students are here for class, but the contractor isn't. What do I do?

A: Please call the Quinlan Community Center at 408-777-3120 and inform them of the instructor delay. We will contact our instructors immediately. If the contractor does not show up within 15 minutes, class will be cancelled and Recreation staff will contact ALL parents on the class roster regarding class cancellation and any class make-up information.

Q: Do you offer any Fee Waiver Assistance?

A: For information regarding registration fee waiver assistance, please contact the West Valley Community Services office at 408-253-8033. Please let them know you are inquiring about the Cupertino Recreation and Community Services Enrichment Program.

Thank you for allowing us to serve your school community and please don't hesitate to call us with any questions. We are here to help!
