Golden Gate Bridge Walk and Scoma's in Sausalito

Thursday, May 26, 8a-5p

Experience the magnificence, mystique, and marvels of San Francisco as we take an exhilarating walk across the Golden Gate Bridge on this private, docent-led tour. Our guide will captivate with interesting facts and historical information about the bridge (completed in 1937), while we delight in the walk and spectacular views!

We'll begin at the all-new Bridge Pavilion Welcome Center, which includes a variety of historical exhibits and commemorative Bridge merchandise. It's approximately a 2-mile walk from the San Francisco Bridge Plaza to the Vista Point in Marin, which provides a number of incredible viewing points. Be sure to bring your camera for some close-up shots of the bridge, as well as classic pictures of San Francisco.
