Parent FAQ – Afterschool Enrichment Program (CAEP)

Q: Who is responsible for the After School Enrichment classes?

A: The After School Enrichment Program is organized by the City of Cupertino's Recreation and Community Services Department. All registration, scheduling, and classes are managed by Recreation Staff. Any and all questions regarding AEP should be directed to the Quinlan Community Center at 408-777-3120 or dannym@cupertino.org. **The Cupertino Union School District (CUSD) provides facility space but does NOT organize any part of CAEP.**

Q: How can I register for this program?

A: Parents may register their child for an AEP class in one of three ways:

1. **Online:** visit www.reg4rec.org and use your Cupertino Recreation account and PIN. Don't have an account? No problem. Call us at 408-777-3120 to set it up!
2. **Fax:** complete the registration form and fax to 408-777-1305. Receipts are mailed within 10 days.
3. **In-Person:** visit the Quinlan Community Center (10185 N. Stelling Rd. Cupertino, CA 95014) during our open hours.

Q: I don't see the class I want being offered at my school. How can I bring new classes to my school campus?

A: If you would like to see a specific class offered at your school, please contact your school principal. Cupertino Recreation may be able to provide the instructor, but the school space is provided at the discretion of school administration.

Q: Do you provide before and after school supervision?

A: Most of our enrichment classes are coordinated to begin 5-10 minutes after student dismissal; however, if your child's class is not set to start during this intermission time period, it is the parent's responsibility to provide their child with the necessary supervision. Cupertino Recreation or its contractual instructors do not provide supervision for students in between school end time and enrichment start time. Additionally, CUSD staff is NOT responsible for monitoring students after school dismissal time.

Q: What should my child do on the first day of class?

A: Unless the school site has requested otherwise, students should meet their instructor inside the scheduled room location.

Q: What happens if I am late to pick up my child?

A: If you are running late to pick up your child from our program, please immediately contact our front office at 408-777-3120. Repeated tardiness may result in the cancellation of your class registration without a refund.

Q: The students are here for class, but the contractor isn't. What do I do?

A: Please call the Quinlan Community Center at 408-777-3120 and inform them of the instructor delay. We will contact the instructor immediately. If the contractor does not show up within 15 minutes, class will be cancelled and Recreation staff will contact ALL parents on the class roster regarding class cancellation and any class make-up information.

Q: Do you offer any Fee Waiver Assistance?

A: For information regarding registration fee waiver assistance, please contact the West Valley Community Services office at 408-253-8033. Please let them know you are inquiring about the Cupertino Recreation and Community Services Enrichment Program.

Thank you for allowing us to serve your school community and please don't hesitate to call us with any questions. We are here to help!

**Quinlan Community Center

Enrichment Program Guidelines

The City of Cupertino Recreation & Community Services Department and the Cupertino Union School District have collaborated for the past 21 years to provide enriching afterschool classes for students throughout the Cupertino Union School District. Many of the same classes that have been offered in the past years continue to be offered this year. Please refer all questions and comments to the Cupertino Recreation & Community Services Department, and we will be happy to assist you in any way that we can as we strive to *create a positive, healthy, connected community!*

IMPORTANT DATES

The FALL semester will begin August 29, 2016* and conclude the week of January 16, 2017
*except for some classes that run on a shorter and/or longer schedule. Please check dates in the brochure.

Classes will not be held on the following dates at all facilities:

September 5th, 2016 - Labor Day

November 11, 2016 - Veterans Day

September 16th, 2016 - Staff Learning Day

November 21st -25th - Thanksgiving Recess

October 6th - 14th - Parent-Teacher Conf.

December 19 - January 2 - Winter Recess

Friday, October 21, 2016 - Staff Learning Day

January 16 - Martin Luther King Day

***Please make note of individual school closures and special events!**

TRANSPORTATION

Transportation is the responsibility of the parent or guardian. Late pick ups may result in dismissal from the class without a refund. Students enrolled in an enrichment class should not wait at the school. Please supervise your child or return when the class ends.

SUPERVISION

Child supervision is NOT provided between school end time and enrichment program start time. Additionally, child care will NOT be provided after enrichment class end time. Please be sure to pick-up your child on time or your class registration may be cancelled without a refund.

CLASSROOM BEHAVIOR

The instructor will establish rules for classroom behavior that ALL STUDENTS must follow. Students who disrupt classroom lecture will be asked to leave the class WITHOUT a refund.

REGISTRATION

Pre-registration is required for all classes and trial classes are not allowed. Registration begins Monday, August 15th.

ATTENDANCE

Unless cancelled by the contractor, missed classes cannot be made up and refunds WILL NOT be issued. Attendance is limited to registered students

DISABILITIES

If your child has a disability that requires special accommodations in order to participate, please let staff know when you register.

QUESTIONS & CONTACT

CUSD is *not responsible* for the coordination of this program. If you have any additional questions regarding the enrichment program, please contact the Cupertino Recreation office at 408-777-3120.

STUDENTS MAY ATTEND CLASSES AT ANY OF THE OTHER SCHOOLS OR THE SCHOOL THAT THEY ATTEND, BUT THEY CANNOT BE RELEASED EARLY IN ORDER TO GET TO ANOTHER SCHOOL SITE FOR CLASS.

DeVargas & Dilworth

DeVargas

STEM Engineering 1-3G

In Engineering Camp students build projects while having fun. Projects students build include rockets, catapults, crossbows, humane mousetraps, and a rideable hovercraft! Curriculum for this class is based around teaching the simple machines of engineering, and the basics of Newton's forces. **No class dates page 4.**

~Instructor: STEM Camps

DeVargas Elementary School GLC					
Codes	Days	Times	Dates	Mtgs	Fees
68100	Th	2:10pm- 3:10pm	9/1-11/3	8	\$269

Drawing Studio K-3G

Drawing is a fun way to strengthen fine motor, focus, and creative thinking skills. Students will learn and practice fundamental drawing techniques, look at works by different artists, and bring their own ideas to life. All supplies and materials included. **No class dates page 4.** ~Instructor: Euphrat Museum of Art

DeVargas Elementary School Room 20					
Codes	Days	Times	Dates	Mtgs	Fees
68037	Th	2:10pm- 3:10pm	9/1-1/19	17	\$272

Chess 1-5G

When we practice chess, we practice learning all the time. Class time is divided between instructional time and play time. Students will begin playing chess from the very first day of class! Exclusive curriculum booklets and lessons provide a challenge to all ability levels from beginner to expert. **No class dates page 4.** ~Instructor: Academic Chess

DeVargas Elementary School Room 20					
Codes	Days	Times	Dates	Mtgs	Fees
68048	Tu	1:35pm- 2:35pm	8/30-1/17	17	\$272

Mad Science: NASA K-3G

See the principles of thrust and propulsion at work in a real rocket launch! Explore the atmosphere on earth and beyond! Watch star dust burn, and journey through a galaxy as you investigate the life cycle of stars! Explore the farthest reaches of our solar system and create a lunar eclipse in this 'mad' planetary tour! **No class dates page 4.** ~Instructor: Mad Science

DeVargas Elementary School GLC					
Codes	Days	Times	Dates	Mtgs	Fees
68086	F	2:10pm- 3:10pm	9/2-12/2	8	\$168

Electronics with Minecraft 1-3G

Over the coming weeks we will learn basic electronic skills using both Minecraft and a real-world manipulative. Students will learn how to make logic gates, timers, sensors, memory devices, and use these skills to build fantastic machines. **No class dates page 4.**

~Instructor: STEM Camps
