## Holiday Poinsettias and Hilmar Cheese Tour

Tuesday, November 29, 8:30am-5pm

A sea of colorful holiday poinsettias awaits us as we enjoy a private tour of the Duarte Nursery. These gorgeous poinsettias are grown on site, in the nursery's new state-of-the-art greenhouses. Duarte Nursery grows over 60,000 poinsettias,

with over 30 varieties and colors. After the tour you will have the opportunity to purchase (cash or check only) the poinsettias directly from the greenhouse they were grown in. Duarte Nursery also has poinsettia triples, decorative bowls, and vases with poinsettias.

**Tuesday, November 29 - 8:30am-5pm**

After shopping for your holiday poinsettias, we will head over to Hilmar Cheese Company for a docent-led motor coach tour of the facility, as well as a guided tour of the visitor center to learn how cheese is made and explore interactive, hands-on exhibits about cows,

dairies and cheese making. We'll watch Daisy's "mooovie" in the Cheese Theatre and watch employees package the 540-pound "big cheese." Founded in 1984, Hilmar Cheese annually produces more cheese and whey from one site than any other manufacturer in the world.

Enjoy a catered meal featuring their homemade 'signature soup' Hilmar Cheese Chowder, along with a green salad. A selection of entrées will include Medallions of Salmon with lemon caper butter sauce, or Breast of Chicken Dijon baked in a panko-parmesan crust, with seasonal vegetables and roasted potato medley. Delight in Hilmar's famous cheese pie for dessert!
