

Candidate Statement for Kris Wang  
Occupation: Former Cupertino Mayor

Former Cupertino Mayor / Cupertino City Councilmember /  
Former Chair, Santa Clara County Parks & Recreation

As a 30-year resident of Cupertino and having previously served on the City Council, I know Cupertino and its residents and appreciate the amazing diversity and values that make our city so wonderful. I have been an active participant in the community and have worked alongside our residents for many years. I hear and understand the concerns of the citizens of Cupertino.

I envision Cupertino moving forward as the ideal community for our families. I oppose reckless development and support responsible growth. I pledge to plan for more park space, more resources for public safety, and solutions to address traffic congestion. As a former Mayor, I will focus on prudent expenditures and maintaining a balanced city budget. As a small business owner, I am a proponent of supporting our existing business community and attracting new businesses to our city. As a mother, I will support the continued excellence of our schools.

I respectfully ask for your support in representing you on the Cupertino City Council.
