TRAVELS WITH GARY HOLLOWAY

Join the fascinating Gary Holloway for a trip down to the Central Coast's to Monterey and Carmel. Gary will be on the bus with us every step of the way, and his remarkable knowledge will have you seeing this historic area in a new way.

Colton Hall, where the State of California got its start, is where we will start our day.

In this fascinating historical building, the first California Constitution was drafted in October 1848. Next to Colton Hall, you can take a look into the impenetrable Old Monterey jail. During its 102 years of serving as the City Hall, no prisoner ever escaped.

Driving through downtown Monterey, Gary will impart his knowledge of the historic city, including a stop at the Royal Presidio Chapel with its rich history, and beautiful restoration.
