Thursday April 13

Our two-hour docent-led tour will take you over the 27 acres of this organic, educational farm where we will learn what it takes to go from dirt plots to the food on our table. You will meet the farm animals, learn about sustainable farming practices, and engage in discussion surrounding food and get an exciting in-context description for our lunch!

The experience will culminate in a delicious, direct-from-the fields, buffet luncheon in their beautiful picnic meadow. Our buffet will feature organically-grown, Pie Ranch-raised protein and produce, crafted by the chef into a seasonal menu of the best the ranch has to offer.

After lunch at Pie Ranch we will head north to beautiful Downtown Half Moon Bay, where you will have time to explore the wide variety of quaint shops. From delicious restaurants to eclectic boutiques and quirky art and antique shops, there is something for everyone.
