## The Preschool Program

The Cupertino Recreation and Community Services Department offers a preschool program for 3-5 year old children. The Tiny Tots program (3-4 years) encourages social development through a variety of group activities and play. Class activities will include music, arts and crafts, finger plays, stories, circle time, and special off-site excursions. The Super Tots program (4-5 years) will expand your child's development and provide enriching activities that will prepare your little one for kindergarten. Activities will include music, art, science, games, creative play, and more!
