

# Community Meeting June 27

Learn about our community's new electric service provider bringing 100% carbon-free power and lower rates to Cupertino.

Attend our community meeting to learn more about Silicon Valley Clean Energy.

**Tuesday, June 27**  
**6:30 to 7:30 p.m.**

**Quinlan Community Center Social Room**  
**10185 N. Stelling Rd.**  
**Cupertino, CA 95014**

Silicon Valley Clean Energy (SVCE) is a new Community Choice Energy agency chartered to source clean electricity on behalf of business and residential customers in twelve South Bay communities. SVCE's electric generation service will provide clean, 100% carbon-free power at costs below PG&E's comparable generation rates.

## two new choices for Silicon Valley

With SVCE residents and businesses can choose from the following energy options:

- **GreenStart**
  - Automatic Enrollment - no need to do anything
  - 50% renewable, 100% carbon-free electricity
  - Savings of 1% from PG&E generation rate
- **GreenPrime**
  - Optional service upgrade at any time
  - 100% renewable, 100% carbon-free electricity
  - Premium of less than 1 cent per kilowatt-hour
- **Opt Out**
  - Opt out and remain with PG&E generation service
- **Net Energy Metering**
  - Automatic enrollment
  - Net surplus generation at full retail cost
