# Filoli Summer Jazz Concert

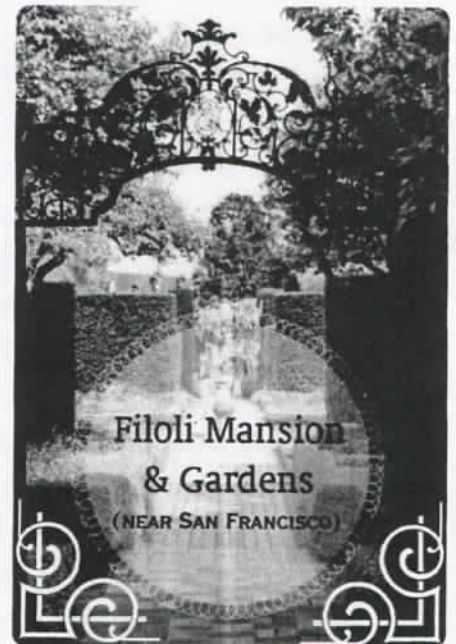

Sunday, September 10 - 10:45am-4:45pm

The Filoli Estate was first imagined by gold rush and water tycoon William Bowers Bourn II. Filoli is an acronym of William Bourns credo: *Fight for a just cause, Love your fellow man, Live a good life.*

With the help of famed architect William Polk, they turned the vision into reality. The Bourns 36,000 square foot home consisted of 43 rooms filled with exquisite features: marble fireplaces, inlaid parquet floors, magnificent architectural doorways.

Beyond the house, the Filoli gardens are absolutely breathtaking. The expansive 16-acre garden is filled with a large variety of flowers and vegetables. Flowers include camellias, wisterias, magnolias, and roses, to name a few. Enjoy the wonderful smells and colorful sights of the garden before the concert begins.

The beautiful Filoli Estate has had cameos in many movie and television shows including Dynasty, Nash Bridges, Heaven Can Wait, The Joy Luck Club, The Wedding Planner, George of the Jungle, Lolita and Rent.
