Green Tips

Fall Green Scene

Contribute to a cleaner Cupertino

The fall season is a beautiful and colorful time in Cupertino. More leaves and potential storms, however, mean that extra efforts are needed to keep the streets clean and the gutters flowing. To help keep your neighborhood streets clean this fall, consider these quick tips:

- Move your car for street sweeping. Street sweeping occurs two times per month in residential areas 7:30am-3:30pm. When you leave your car on the street, sweepers can't clean the litter and harmful pollutants that accumulate on neighborhood streets. Sign up for reminders by text and email by visiting www.cupertino.org/streetsweeping.

- Deposit leaves from your private property into your brown cart. To prevent flooding and protect our creeks, leaves should NOT be raked or piled into the street.

- Drain downspout water to landscaping.

Ensuring all water makes its way to landscaping helps recharge the water table.

To learn more, visit www.cupertino.org/cleanstreets.

Reduce, reuse, recycle and treasure hunt at the Citywide Garage Sale

Cupertino's Annual Citywide Garage Sale will be held September 16th and 17th at individual homes and other private locations throughout the City. Residents and community organizations interested in hosting garage sales can register August 7th – September 1st at www.cupertino.org/garagesale. If you're not selling, check out some of the sales in your neighborhood and do some treasure hunting. Reuse, repurpose, and have fun shopping!

Let's walk and roll, Cupertino

With warm weather and the start of a brand new school year, the fall is the perfect time to green your child's route to school. Ditch your car (and the traffic!) and encourage your children to walk or bike to school. Cupertino's Safe Routes 2 School Program (SR2S), now active in all Cupertino schools, has resources and programs available to create a safer environment for Cupertino students and families traveling to and from school actively. To find out more about SR2S or connect with your school's SR2S parent representative visit www.cupertino.org/saferoutes or email saferoutes@cupertino.org

Co-sponsored Clubs

The City of Cupertino co-sponsors a variety of clubs. If you are interested in joining one of the co-sponsored clubs or you would like information about meeting times and locations, please contact the listed individuals or program coordinator at 408-777-3120.
