How does it work?

Create your child's perfect summer with our All-Day Camp options! These camp options have been designed to provide you with flexible and customizable program offerings, all with the assurance of quality supervision throughout the day. Camps have been scheduled to provide your child with comprehensive and seamless supervision starting as early as 7:30am and running as late as 5:30pm. Each week has been broken down into morning, afternoon, and extended care options so that you can conveniently browse the variety of programs offered throughout the day at the Quinlan Community Center.

Why choose All-Day Camps?

Flexible: Choose camps that best fit your needs. Each week can be designed differently to accommodate your busy summer schedule.

Responsible Supervision: Put your mind at ease knowing that your child will be in a safe nurturing environment all-day long.

Affordable: Our All-Day Camp options are designed to provide your child with memorable experiences at a low price.

Is Extended Care available?

Yes! Extended care provides the option of including additional supervision in the morning, lunch-time, afternoon or all three depending on your individual needs.

Who watches my child during extended care?

Our recreation staff will be on-hand to facilitate activities for your child during extended care hours.

Who takes my child from one camp to the other?

Our extremely qualified staff will coordinate with instructors and chaperone your child from one camp to another all day.

Is lunch included?

Sorry, lunch is not included. If you choose an all-day option please send your child with a bag lunch.

Is a snack provided?

Yes! However, if your child has dietary restrictions please speak to the front office at Quinlan prior to the camps start date.

SUMMER CAMPS

3D Design Camp

6-10Y

Students will learn to use 2 different 3D and CAD modeling software programs to create 3D models. Emphasis will be on designing 3D models, specifically for the purpose of 3D printing. Students are encouraged to be creative while designing houses, jewelry, cookie cutters, and their own inventions.
