

- so Ralphie, scared and nearly starved joined the rescuers

- I wouldn't think anything could live thru this...

- but this sweet little beagle lady did

- scared but safe

- and no longer alone!

- Can y'all say "instant pals"

- Add two more beagles

- and life really is good again

- hmmm- a new traveler is added to the mix - how is this going to work???

- It's going to work just fine, thank you!
