# PUBLIC MEETING NOTICE

## Proposed Regnart Creek Trail

January 22, 2018 | Community Hall

The City of Cupertino is working with HMH Engineers on a feasibility study for an off-street bicycle and pedestrian facility that would run parallel to Regnart Creek, providing a connection between Pacifica Drive and the existing Creekside Trail at E. Estates Drive.

**Do you live in the neighborhood or along the creek?**

**We want to hear from you!**

We invite you to attend the second public meeting for this project, following the introductory "walkshop" that was conducted in November 2017. The meeting will be an open house format where participants can arrive any time during the event window and have one-on-one discussions with City staff and project consultants.

For more information and to sign up for e-notifications, please visit:
