Historic De Anza Trail Feasibility Study COMMENT CARD

Start w/ the bridge at Rancho San Antonio

Hammond - Snyder loop trail has a place
where there is a fence @ Stevens Creek
(St Joseph's Street)

Would be good/wise to separate
pedestrians + bikers because of
headphones. Love the idea

Between Rainbow + McClellan there
is a narrow point ~~by~~ because of water
utilities.

Historic De Anza Trail Feasibility Study COMMENT CARD

Allow access from homes on both sides of tracks, please!
we like having the trail, would be glad for the trail to be improved.

It would be great to allow access to Regnart and Orion.
