Subject: Document to request 30-acre green roof
Date: Monday, July 09, 2018 1:59:10 PM

Page 11 of the DEIR has the following footnote:

"During the scoping process for the project, interest in including a green roof and civic space (such as a school lab facility and office space for police and fire staff) was expressed by community members, local schools, Santa Clara County Sheriff's Office, and Santa Clara County Fire Department. As a result, the project was augmented to include a 30-acre green roof and 65,000 of civic space."

I would like all documents that support the above statements from "community members, local schools, Santa Clara County Sheriff's Office, and Santa Clara County Fire Department".

Please provide me such documents immediately or as a public record request. And please include such documents in the final EIR so that the EIR is complete.

Thank you.
