Four Referendum Petitions filed with the City Clerk Regarding Vallco Town Center Specific Plan

CUPERTINO, CA - On October 29, proponents filed four referendum petitions with the Cupertino City Clerk's Office regarding the Vallco Town Center Specific Plan (approved by the City Council on September 19, 2018, with the ordinances enacted on October 2, 2018). The Clerk's Office is performing a prima facie signature count per State of California Elections Code 9239/9210, as well as checking the petition forms per Elections Code 9238.

The petitions will be provided to the Santa Clara County Registrar of Voters for examination and verification, if:

1. The signature count for each petition meets or exceeds 10% of the 28,873 registered voters in Cupertino, as last reported by the Registrar of Voters as of September 7, 2018; and
2. The forms meet all requirements as stated in the Elections Code

The Registrar of Voters will have 30 business days for full examination of the signatures.

If certified, the petitions will be brought to the Cupertino City Council for a decision, which could include:

- Repealing the ordinances and resolutions regarding the Specific Plan through Council action; or
- Submitting the ordinances and resolutions for public vote at the next regular election, or a special election, per Elections Code 9241

The City of Cupertino is committed to ensuring that all required procedures and requirements are followed in a transparent manner throughout this process.
