Cupertino Safe Routes to School

SRTS School Team Meetings

Cupertino Safe Routes to School Coordinator, Cherie Walkowiak, is in the process of scheduling meetings with all 14 Cupertino schools. These meetings are an opportunity for us to discuss how we can best work with each school to help them meet their goals and for us to outline what we are hoping to accomplish in 2019. Please schedule a meeting with Cherie if you have not already done so.

Public Meeting Notice

The City invites you to attend the 1st public meeting for the Carmen Road Bicycle-Pedestrian Bridge Feasibility Study on Thursday, January 24, 2019 from 6:30 pm to 7:30 pm in the Multi-Purpose Room at the Monta Vista Recreation Center (22601 Voss Ave, Cupertino). The meeting format will be open-house, so drop by anytime during the event window to learn more about the project and provide your feedback. The project kicked off in November 2018 to study the feasibility of connecting two segments of Carmen Road by continuing their existing alignment above Stevens Creek Blvd. For additional information, please visit the project webpage at: www.cupertino.org/carmenbridge.

SRTS Working Group Survey

We are currently gathering input on how our Working Group meetings will work best for people next year. Please indicate when you are available to meet and what you would like to discuss by taking our survey here: www.cupertino.org/saferoutes

Homestead Road Corridor Study: Community Meeting #2

Please join us on Monday, February 4th from 6 to 8pm in the Homestead High School auditorium for the second Homestead Corridor Study community meeting. The purpose of this meeting is to:

- Provide an update on the study status;
- Present proposed concepts; and,
- Receive community feedback on the proposed concepts that have been developed based on input received from the first community meeting.

The purpose of the study is to identify near-term pedestrian and bicycle improvements on Homestead Road, from Grant Road to N. Stelling Road/Hollenbeck Avenue, and to seek funding for the identified improvements through various grant applications.

More information can be found at:
www.sccgov.org/sites/rda/PnS/CP/Pages/Homestead-Rd.aspx

New Banners

We will be printing 'Walk & Roll' banners soon for any schools who need them. If your school's banner is getting tattered or your school never received one, please contact us so we can provide your school with a clean, new banner. Email us at:
saferoutes@cupertino.org
