

CUPERTINO

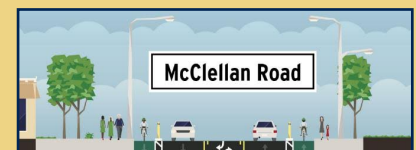

Cupertino Safe Routes to School

Bike Lane Construction

We are excited to announce that the City of Cupertino will begin implementing its Bicycle Transportation Plan in just a couple months! Construction of separated bikeways along McClellan Blvd (Imperial to Stelling) will begin in May and last approximately three months. For more information about the McClellan bike lane project, see the project website: cupertino.org/mcclellanbikelanes

Construction of separated bikeways along Stevens Creek Blvd (Wolfe to Tantau) is set to begin this summer and last approximately three months. Finally, two segments of the Bicycle Boulevard Network are due to be constructed this summer along Portal/Merritt and Greenleaf/Meteor. For more information about the 2016 Bike Transportation Plan, visit: cupertino.org/bikeplan

Homestead Road Corridor Study

On Monday, February 25th, 2019, Homestead High School hosted the final community meeting for the Homestead Road Corridor Study. At the meeting, consultants presented improvement concepts they propose along Homestead Road, and gathered feedback from the community on these proposed concepts. The presentation with proposed concepts is posted on the project website (link below), and consultants will continue to gather feedback about their design for a limited time. Please take a look at the presentation below and give feedback!

(<https://www.sccgov.org/sites/rda/PnS/CP/Pages/Homestead-Rd.aspx>)

If you have any concerns, comments, or suggestions about the proposed improvements, please submit your feedback by March 11, 2019 to: RDA-HomesteadRoad.Study@rda.sccgov.org

Homestead Road Corridor Study, Continued

Study Purpose:

The purpose of this study is to identify potential near-term bicycle and pedestrian infrastructure improvements along the Homestead Road Corridor. These improvements would support alternative transportation use and connect students to nearby; West Valley Elementary, Cupertino Middle, and Homestead High Schools.

Earth & Arbor Day Festival

Our Annual Earth & Arbor Day Family Bike Ride is coming up! On Saturday, April 13, come and enjoy a citywide family friendly bike ride. Afterwards, stay for Cupertino's Annual Earth & Arbor Day Festival, an interactive event that invites community members of all ages to learn about environmental issues and solutions in a family-friendly, interactive atmosphere.

Consistently attracting over 5,000 attendees and 60 partner organizations, the festival features hands-on activities, live entertainment, electric vehicle demos, and delicious food served by local food trucks.

Important Upcoming Dates

Working Group Meeting: Wed, March 13, 2019 @ 4pm,
Conference Room C, Cupertino City Hall, 10300 Torre Ave.

2019 Banner Contests

Cupertino students are going to be designing Safe Routes to School specific artwork. At our Cupertino high schools, we are launching a streetlight banner design contest. For more information regarding the high school banner design contest and instructions on how to enter, please visit our website, cupertino.org/saferoutes.

At Hyde Middle School, students are designing a Walk & Roll banner to promote alternative transportation on Wednesdays. The winner will have their design proudly displayed outside of Hyde Middle School for all to see.

Good luck to all of our aspiring artists!

Safety Tip!

Do not assume that you have the right of way when using a crosswalk. Be aware of drivers and cyclists.
