

Statement of Darcy Paul, Candidate for
Member, Cupertino City Council

Occupation: Attorney

Age: 33

My name is Darcy Paul, and I request your vote to serve Cupertino.

On City Council, I will put community first and promote civic responsibility, applying my background as an attorney and civil servant: Graduate, Harvard College and Harvard Law School.
Commissioner, Cupertino's Parks and Recreation Commission.
Patent litigator; pro bono work for victims of domestic violence.

At this critical time, we need leaders in government who understand how to promote an innovation-based economy, while ensuring that our quality of life remains rooted in sound, healthy principles.

I stand for preserving family values that make Cupertino a great city. I will work with community groups and the public to identify and attract retail that will revitalize our underutilized spaces. I will advocate for improved usage of existing spaces to build a better infrastructure for Cupertino's future innovations.

Let us work together to sustain thoughtful, responsible, and organized government that listens to community input. We will develop Cupertino in a manner that respects our traditional values. We will ensure that Cupertino continues to lead the world in innovation.
