

**WHAT WE HEARD FROM THE
NOVEMBER 2017 PUBLIC WORKSHOP:**

- Consider improvements at Meteor & Nathanson to encourage vehicle compliance with stop sign
- The proposed median on Beardon was not generally supported but there was general agreement that this location needed improvement

Install 2 speed tables between Nathanson & Castine (approx proposed locations shown)

NATHANSON AVE

METEOR DR

CASTINE AVE

GARDEN GATE ELEMENTARY

VILLAGES AT CUPERTINO APARTMENTS

Install 3 speed tables between Stelling & Beardon (approx proposed locations shown)

Modify existing wall by adding 2nd opening to better facilitate bike movements

- Modify existing median and pavement striping at Mary & Meteor to better facilitate NB and EB bike movements
- Consider potential raised crosswalk for WB approach
