Hello!

We are looking forward to this year and can't wait for your children to be at camps. This email includes camp information and tips. We hope you find them helpful!

CAMP CUPERTINO WEBPAGE: Our website will be updated weekly with flyers, pictures, and other information. Please refer it as much as you can so you will stay informed of what's going on at camps. Once camps start, you will be able to see information and pictures of the staff that will be supervising your child this summer! Check us out!

- Sunscreen-permission to apply (if applicable)

PARENT REMINDERS: This year we will be enforcing a strict late pick-up policy. The new policy is as followed: If you fail to pick up your child on time, you will be charged a \$10 late fee, plus a \$1 fee for every extra minute. You can find our policy and other procedures under "Parent Reminders." More information will be on the website.
