

Are you a **Young Artist?**

Do you live or go to school in Cupertino?
If so, the Cupertino Fine Arts Commission invites you to
submit your artwork for the:

Young Artist Awards

The city is choosing outstanding young artists - this could be
you! If selected, you will receive public recognition and a
cash award.

It's easy to apply!

Get the award rules and an application form at
www.cupertino.org/youngartist and submit your entry
digitally to **finearts@cupertino.org**,
before **4:30 p.m. on November 15, 2019**

There will be one award for each of two categories:

Group A: 6-10 years old

Group B: 11-14 years old

Your artwork will be judged on how effectively and
creatively you've communicated this year's theme of:

"What makes me smile"

Put your creative hats and pitch in with your wonderful artwork and
show us what brings a smile on your face. Examples include
dancing, sports, reading...whatever brings a smile to your face.

Forms are available at:
