**Subject:** Resignation from Cupertino bicycle pedestrian Commission

Grace, et. al.,

Due to my recent move to Redwood Estates in Los Gatos, I must tender my resignation from the Cupertino bicycle pedestrian Commission. Let's make this effective as of November 30th so the slate will be clean for December.

I want to thank the current and previous City Councils for the opportunity to serve. I am proud of my service on the commission and the results that have been accomplished with City Council's backing. In fact I would say the city has reached an inflection point for bicycle and pedestrian infrastructure. It's incredible to see the implementation of class 4/protected bike Lanes on McClellan and the unanimous adoption of the Regnart Creek Trail by the current City Council.

Thanks also to David Stillman and Timm Borden for the excellent support they've provided over the years. I wish you all the best of luck and look forward to seeing continued expansion how's the bicycle and pedestrian networks.

Best regards,
