Ready! Rally! Play!

7-15Y

READY! Our entry level is focused on developing the skills necessary to play the sport of tennis. We focus on fun activities that develop technique, ball striking, tracking, racket control and footwork.

RALLY! This level continues the tennis journey by focusing on rallying and ball control. Players will continue to develop technique using the ball and court size appropriate for their age and level.

Players should be able to hold a simple rally and get their serve in consistently before moving on to **PLAY!** The **PLAY!** level places an emphasis on the skills necessary to play a real match. Coaches will continue to develop modern swing techniques as players focus on movement and ball control. Players graduating from the **PLAY!** level can demonstrate the skills necessary to play a match at the Orange or Green Ball level and are ready to move into our Junior Development family of classes or try-out for the Competition Training program.

LIABILITY WAIVER & PHOTO RELEASE

WAIVER, RELEASE, HOLD HARMLESS AND AGREEMENT NOT TO SUE

I desire to participate in this PROGRAM, ACTIVITY, EVENT, MEMBERSHIP, OR CLASS (hereinafter, ACTIVITY). In consideration of the City of Cupertino accepting my application, participation, or entry into this ACTIVITY, I agree to release, waive, and discharge any and all claims for damages, death, personal injury, or property damage which I may have, or which hereafter accrue to me, against the City as a result of my participation in the ACTIVITY. This release is intended to discharge the City, its City Council, boards and commissions, officers, agents, employees, servants and volunteers, any other involved municipality or public agency (hereinafter, Indemnitees) from and against any and all liability arising out of or connected in any way with my participation in the ACTIVITY, even though that liability may arise out of the negligence or carelessness of other participants or the active or passive negligence of Indemnitees.

I further understand that accidents and injuries can result from the ACTIVITY; knowing the risks, nevertheless, I agree to assume those risks, and to release and hold harmless the Indemnitees who (through negligence or carelessness) might otherwise be liable to me (or my heirs or assigns) for damages.

In consideration for being permitted to participate in the ACTIVITY, I agree for myself, my heirs, administrators, executors, and assigns not to sue the City or any of the Indemnitees for any injury, death, damage, or loss of personal property that may arise out of, or in connection with, my participation in the ACTIVITY from whatever cause, including the active or passive negligence of the City or other participants, except for the sole negligence or willful misconduct of the City. Should a third party make a charge or claim against the City, I agree to indemnify, defend, and hold harmless the City from any and all claims, demands, actions or suits, and any other legal, administrative or regulatory proceeding arising out of, or in connection with, my participation in the ACTIVITY.

I understand this agreement and the promises contained herein are binding on myself and my heirs, administrators, executors and assigns, and shall be interpreted as broad and inclusive as allowed by law. If a court of competent jurisdiction declares any portion of this agreement invalid, the remainder of the agreement shall continue in full force and effect. I further allow my photograph to be taken and used for City purposes without compensation.

I have carefully read this agreement and fully understand its contents. I am aware that it is a full release of all liability and sign it on my own free will.
