HUNG WEI

Candidate Name *(not included in word count)*

Education and Qualifications:

I have the values, commitment, and experience to represent our community on the City Council. I have earned a reputation for listening to all sides of an issue, promoting good governance and fiscal responsibility, maintaining our suburban integrity, and supporting the environment. I will protect our families' health, safety, and revitalize businesses impacted by COVID-19.

My Priorities: collaborating for good governance and fiscal responsibility; responsibly using city resources to provide excellent services for residents; maintaining our suburban integrity; providing housing solutions for seniors, teachers, and moderate-income families while strategically navigating state housing laws; and environmental leadership to make Cupertino sustainable by implementing transportation strategies to reduce traffic and emissions while promoting clean water and air.

I am committed to moving Cupertino forward by listening to residents' ideas. I served our residents for eleven years as Fremont Union High School District Board Trustee and am an Adviser for Young American Policy Advocates' Mental Health Study Group. I increased school funding, classroom resources, and supported programs to prepare students for 21st Century jobs. My endorsements include Assemblymember Evan Low, former Cupertino Mayors Dolly Sandoval, Savita Vaidhyanathan, Kris Wang, and over fifty Councilmembers and School Trustees.

I would be honored to earn your vote. Read my plan at HungWei.org.
