## COVID-19 Response Update

The City of Cupertino continues to monitor the effects of COVID-19 as the safety of our residents, staff, and visitors remains our highest priority. The following information regards the City's response to the latest recommendations from the County of Santa Clara Public Health Department. For more information, visit [cupertino.org/coronavirus](https://cupertino.org/coronavirus).

### **New**

#### **COVID-19 Testing Appointments Available at Cupertino Senior Center for Wednesday, October 7**

Appointments are now available for the upcoming COVID-19 Test Site at Cupertino Senior Center, 21251 Stevens Creek Boulevard, on October 7, 2020. Appointments can be made from 9:30 a.m. through 3:45 p.m.

Appointments are available for everyone--you do not need to be a senior or a member of the Senior Center.

The test site at Cupertino Senior Center is designed for people without symptoms. If you or a person looking for a COVID-19 test have symptoms, contact your health care provider.

Access the appointment site at [www.sccfreetest.org](http://www.sccfreetest.org) or directly at <https://scl.fulgentgenetics.com/appointment>.

#### **City of Cupertino Playgrounds**

The City of Cupertino reopened park playgrounds on Monday, September 21. The City will not be sanitizing play structure surfaces, so use at your own risk. Playground users should follow social distancing recommendations, wear a face covering, practice good hygiene, and follow the regulations put forth by the California Department of Public Health.

-more-

Regulations include:

- Face coverings must be worn by everyone two years of age or older.
- Do not use the playground when different households are unable to maintain a physical distance of six feet.
- Members of separate households must remain at least six feet apart at all times.
- Consider coming at different times or days to avoid crowds.
- No eating or drinking on the playground to ensure face masks are worn at all times.
- Wash or sanitize hands before and after using the playground.
- Elderly and persons with underlying medical conditions should avoid the playground when others are present.
- Limit visit to 30 minutes per day when others are present.
