Block Leader Program

Good neighborhoods are those where neighbors work together on common concerns and look out for each other. Cupertino has 380 amazing block leaders who take extra steps to connect neighbors and build community -- helping our neighborhoods to be safer, healthier, and happier.

The Block Leader Program teaches residents how to get to know neighbors and organize activities so neighbors can more easily communicate. Block leaders receive updates on neighborhood activities and services and are vital links between City Hall and the neighborhoods.

Join a panel of Block Leaders and hear how neighbors have supported each other before and during COVID-19, how to stay connected with neighbors, and how to get involved.
