Cupertino Sports Center Members,

The following information is an update of the retrofit and ADA upgrades:

- The sidewalk work is complete
- Fences pulled back to create entrances will be repaired December 2
- The check-in tent will move to the teen center ramp December 3
- Tennis Court gates will have a panel at the bottom, so tennis balls do not roll into the walkway
- Fences are being stretched and clamped to keep the balls in the court
- There will be work done on the ramp between tennis courts one and two over the next few days

Due to the state mandated curfew please remember to leave promptly at closing time. Wear your masks over your mouth and nose going to and from tennis courts.

Update emails can also be found on the city website [www.Cupertino.org/recreation](http://www.Cupertino.org/recreation)
