## Program Overview

The Law Enforcement program provides law enforcement, emergency communications, School Resource Officers, and the Youth Probation Program. Law enforcement services are provided by the Santa Clara County Sheriff's Office, while communications services are provided by the Santa Clara County General Services Administration. The County's Youth Probation Program, also managed by the Sheriff's Office, is funded through a partnership with the Cupertino Union School District and the City of Cupertino. Other services include general law enforcement (patrol), traffic enforcement and investigation, detective services, and additional resources from specialized units.

The State allocates the Citizens Option for Public Safety (COPS) grant to cities and counties for front-line law enforcement purposes. Funding is allocated proportionately based on population size with a minimum allocation of \$100,000 per jurisdiction. This grant will be used to partially offset the cost of a second School Resource Officer that was added in the FY 2017 school year.

## Service Objectives

- Protect life and property through innovative and progressive policing methods.
- Respond to Priority 1 emergency situations within an average of fewer than five minutes.
- Enforce the vehicle code with the goal of increasing traffic safety.
- Divert first time/minor youth offenders from the juvenile justice system.
- Provide daily on-site interaction with our youth.
