Lock It!

A lock will deter the majority of thefts.

Bikes can get stolen...even at school. Most bike thefts are opportunistic. That is, unlocked bikes are taken for a joy ride and dumped. A lock will prevent most thefts.

Buy a high quality bike lock

If you can't afford to lose your bike, a secure, high quality U-lock is a smart investment. Inexpensive cable locks can be cut quickly with bolt or wire cutters.

Lock through your bike FRAME

Do not lock only through wheels, seat posts, or handlebars which can be easily removed.

Lock to a secure bike rack, NOT to fence wire which can be cut.

Higher security U-racks are provided for your protection. Please use them!
