

Growing Garlic and Shallots Workshop

Mark your calendar today:

- Saturday, September 18
- 10:00 a.m.
- McClellan Ranch Community Garden

Garlic and shallots grow effortlessly over the winter in Santa Clara County. Plant garlic and long-season shallots in the fall for harvesting in June - July.

If you would like to learn more about growing garlic and shallots, join UC Master Gardeners Allison Heisch and Kathy Kaplan, our Team Garlic Leaders, to learn all their tips and tricks. Information about garlic and shallots can be found on the UC Master Gardener of Santa Clara website: <http://mgsantaclara.ucanr.edu/events-calendar/fall-garden-market/garlic-and-shallots/>

Pre-registration required

Registration limited to 40 participants
