CITY OF CUPERTINO
Resolution 16-031
Fees Effective July 1, 2016
Schedule E - Recreation

Recreation classes and excursion fees shall be determined as follows:

Classes

1. Determine the maximum hourly rate paid to instructor.
2. Multiply the instructor's hourly rate by the number of class meetings.
3. Determine the minimum number of participants and divide into the instructor's cost.
4. Add indirect overhead percent - 32%.
5. Add 20% to establish non-resident fee.
6. Add cost for specialized equipment or supplies.

Special Conditions: For classes taught by contract instructors, the indirect overhead is only added to the City's percentage.

Excursions

1. Transportation cost divided by the number of participants plus overhead transfer.
2. Add 20% to establish non-resident fee.
3. Add any admission cost, supplies or leadership cost.

Additional factors that may be used to determine the class or excursion user fee:

The total number of participants in a given activity may generate additional revenue whereby the total program cost may be reduced.

Classes that traditionally have waiting lists may have the user fee increased.

Programs in competition with adjacent cities or the private sector may require fees to be increased or decreased to remain competitive.

Facility Use Fee Schedule (Staff Use Only)

CLASSIFICATIONS:

- Group 1: Programs and events sponsored by Cupertino based non-profit recreation, education or community service organizations and sponsored clubs with 1/3 resident membership/participation. These organizations must show an official structure and status.
