

Cupertino Earth & Arbor Day 2023 - Lead Volunteer Application

Cupertino is seeking energetic and enthusiastic environmental leaders to join the Earth & Arbor Day Festival Team as Lead Volunteers! Through this leadership opportunity, Lead Volunteers contribute to a successful event by coordinating vendors, entertainment, and other volunteers. The festival will be in-person and follow COVID safety guidelines.

1. **Lead Volunteer Coordinator**

Under the direction of City staff, this position is responsible for leading ~100 volunteers that help set-up and take-down festival equipment, distributing prizes to attendees, aiding with registration, providing support, and assisting City staff as needed. The Lead Volunteer coordinator(s) will delegate responsibilities to volunteers and ensure other lead staff have the volunteers they need.

2. **Registration Coordinator**

Under the direction of City staff, this position is responsible for coordinating the vendor and volunteer registration. Tasks will include signing in vendors and volunteers, providing directions to vendors and attendees, handing out prizes, and assisting staff when needed.

3. **Entertainment Coordinator**

Under the direction of City staff, this position is responsible for managing the schedule and logistics of festival entertainment. Tasks will include registering performers, setting up the stage, helping City communications staff set up equipment, and maintaining the performance schedule.

Additional Commitments and Requirements

- One 2-hour training session the week prior to the event
- Volunteer from 7:00 a.m. to 4:00 p.m. on Saturday, April 22, 2023
- Candidate is 14 years of age or older

Application Process

Interested individuals may email sustainability@cupertino.org with their resume, contact information, and answers to the following questions by Sunday, February 12 at 11:59 p.m.:

1. Which of the Earth Day Lead Volunteer position(s) are you most interested in, and why?
2. What interests or past experiences make you a great candidate for the Earth Day Lead Volunteer position(s) you indicated in Question 1?

Top applicants will be invited to interview with the volunteer management team.
