## Cupertino City Hall Reopening to Public

CUPERTINO, CA – The City of Cupertino is pleased to announce that Cupertino City Hall will reopen to the public on Monday, April 11. The City closed its facilities in 2020 to protect public health during the COVID-19 pandemic.

“We are excited to welcome our residents and community back for in-person services at City Hall,” said City Manager Jim Throop. “While the City had a smooth transition in providing virtual services at the beginning of the pandemic, we look forward to accommodating our community even more with our return to in-person services.”

City services will be offered by walk-in only for Building, Business License, Finance, Planning, Public Works, and other services. Many virtual tools and assistance remain available at [cupertino.org/online-services](https://cupertino.org/online-services).

Beginning on Tuesday, April 19, all City Council, commission, and committee meetings will return to in-person meetings. The City Council, Planning Commission, and Parks and Recreation Commission meetings will offer a virtual option as well.

For more information, visit [cupertino.org/reopening](https://cupertino.org/reopening).

The Santa Clara County Public Health Department and the California Department of Public Health strongly recommend that the public continue to wear masks in indoor public spaces.
