

Green Halo Systems Contractor User Guide

Creating an Account:

Step 1. Go to the <https://cupertino.wastetracking.com/> and click the green button titled "Create Your Debris Recovery Plan."

Step 2. Fill in your Project Name and Street Address for your project. Then select either New Account if this is your first time using Green Halo or Existing Account if you already have a Green Halo account. Then click on “Create”.

Note: For Existing Account users, after you enter your Project Name and Street Address, you can proceed to login to your account and SKIP STEPS 3-7 below.

Step 3. Enter your email and confirm your password, and then click “Create.” This will start your Waste Management Plan setup.

Step 4. By default, the FREE Project Tracker account is selected. Click “Next Step” to continue.
