### Adopted Budget

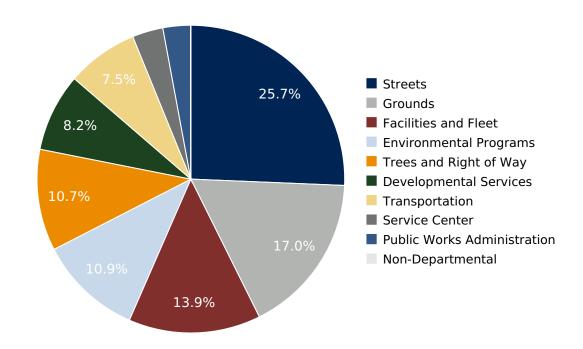

On June 9, 2022, City Council approved a budget of \$39,921,995 for the Public Works department. This represents a decrease of \$823,326 (-2.0%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The decrease in Cost Allocation is due to lower Human Resources and IT costs and is offset by increases in materials due to utility rate increases and restoration of services post-Covid, and salaries and benefits due to the addition of a Management Analyst and Maintenance Worker Lead.

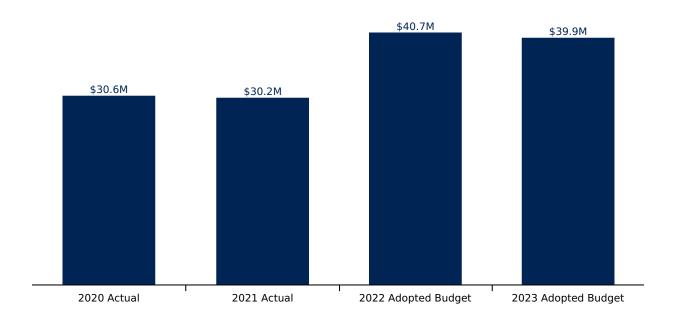

Historically, expenses have increased due to additional staffing, negotiated cost-of-living adjustments (COLA), utility rate increases, materials, contracts, and special projects. Materials typically increase by CPI, although utility rates have increased considerably more. Notably, a new custodial service contract and crossing guard

#### **Program Overview**

The Public Works Department is comprised of the following eight divisions:

- Development Services (including inspection services)
- Capital Improvement Program Administration
- Environmental Programs
- Transportation
- Facilities and Fleet
- Trees and Right-of-Way
- Grounds
- Streets

### Service Objectives

- Provide capital project delivery, development plan check, permitting and inspection, solid waste and
  recycling services, stormwater quality compliance, and public works maintenance services in a
  responsive and efficient manner by continuously adapting programs and resources to meet the
  community's expectations.
- Provide a response within 24 hours to the community on complaints and requests for services. Plan and program maintenance of the City's public facilities and infrastructure.
- Program and deliver Capital Improvement Projects in a timely and cost-efficient manner. Work with operating departments and the community to ensure projects meet expectations.
- Collaborate with Community Development to efficiently deliver predictable, responsive and efficient development services.
- Represent the City on county and regional issues such as congestion management, and mobility and transit planning.
- Manage and adapt traffic operations to efficiently move traffic and protect neighborhoods.
- Oversee and manage stormwater, solid waste and recycling programs.

#### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,158,135 for the Public Works Administration program. This represents an increase of \$191,403 (19.8%) from the FY 2021-22 Adopted Budget.

The increase is due to reallocation of staff in this program and the addition of a Management Analyst to assist with department-wide reporting, analysis and contracts. This is offset by a decrease in one-time special projects that vary from year to year.

#### **Program Overview**

The Resource Recovery program manages the City's garbage and recycling franchised hauler contract and provides garbage and recycling customer service for residents and business owners; develops and implements programs and policy to comply with State source reduction and recycling mandates; oversees the free compost giveaway at the compost site; and represents the City on countywide committees. The public education and outreach programs led by this division include visits to businesses and apartment complexes to provide recycling instruction, kitchen containers, and visual materials; presentations at events and schools and employee training for businesses on-site as needed. The program coordinates many complimentary activities with the Sustainability program in the Office of the City Manager.

### **Service Objectives**

- Meet State requirements to divert recyclables and organics from landfill. Help businesses implement the
  City's Mandatory Organics Recycling ordinance (6.24.037) which ensures compliance with SB 1383,
  California's Short-Lived Climate Pollutant Reduction Strategy. Provide landlords and property owners
  with support and educational materials for their tenants. Conduct waste characterization studies to
  determine future services.
- Provide contract oversight and customer service for garbage and recycling collection, yard waste
  processing, composting and household hazardous waste. Manage community events such as the
  citywide Garage Sale and free compost giveaway for residents. Assist CUSD and high school teachers
  and students with student recycling and composting projects related to teachers' curriculum and the
  City's environmental initiatives.

### Adopted Budget

On June 9, 2022, City Council approved a budget of \$2,285,090 for the Resource Recovery program. This represents an increase of \$62,994 (2.8%) from the FY 2021-22 Adopted Budget.

This budget is relatively unchanged from last fiscal year.

#### **Program Overview**

The Non-Point Source program manages the City's compliance with its State-mandated Municipal Regional Stormwater NPDES Permit. Compliance activities include program and policy development and implementation of state-mandated complaint response and enforcement programs as well as annual interdepartmental staff training; and scheduled business and construction site inspections. The program reviews development plans to ensure compliance with low impact development (LID); and new Green Infrastructure Plan development requirements. The program is responsible for calculating storm drain fees annually to submit to the County for collection on property tax bills, writing an annual report to the Regional Water Quality Control Board to verify and document the City's compliance with Clean Water Act mandates, and engaging and educating the public via City communication channels, visits to businesses and presentations at local schools, De Anza College and community events. Public participation events in a typical year include two or more annual volunteer creek cleanup days, an interactive water quality monitoring day, Earth Day and various countywide collaborative events. Implementation and annual progress assessment of the City's eight-year litter reduction plan are among the requirements of the City's Non-Point Source program.

### **Service Objectives**

- Oversee the City's compliance with the Municipal Regional Stormwater Permit (MRP 2.0) with regard to
  water pollution prevention, erosion control, conserving water as a resource (e.g. infiltration rather than
  runoff), and low impact development (LID) via the City's permit application process and conditions of
  approval.
- Coordinate urban runoff pollution and erosion prevention activities with other departments, divisions, and private businesses. Mandated activities include: catch basin cleaning; post-construction oversight of permanent stormwater treatment measures installed at private new and redeveloped sites; implementation of, and annual progress assessments for the eight-year litter reduction plan; oversight of construction best management practices during private and public construction; inspection of grease-generating and wet-waste food facilities and other businesses to prevent water-polluting discharges; complaint response and investigation to protect water quality; and education of staff and local businesses on best management practices for outdoor storage and activities.

• Represent the City on county and regional committees to prevent creek and San Francisco Bay pollution, erosion, and illegal dumping.

#### Adopted Budget

On June 9, 2022, City Council approved a budget of \$1,226,654 for the Non-Point Source program. This represents an increase of \$41,075 (3.5%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in compensation and benefits is due to the addition of part-time staff. The increase in materials is due to conferences, which were virtual in 2020 and 2021, and the State Water Resources Control Board permit fee. Contract Services are increasing due to higher bus costs for Cupertino Union School District students due to COVID protocols. The increases are offset by a decrease in Cost Allocation due to lower Human Resources and IT costs in FY 2020-21.

#### **Special Projects**

The following table shows the special projects for the fiscal year.

#### **Program Overview**

The City has a joint use agreement for playing fields at schools in CUSD, and part of that agreement requires a refund to CUSD of half of the fees they pay each year for the Clean Water and Storm Protection Fee, which is based on parcel size and use category. The details of the fee prohibit using collected funds for providing discounts or refunds, so funding for that purpose must come from the General Fund.

In addition, the City has a Clean Water Cost-Share Program allowing low-income property owners to receive a discounted rate on the Clean Water and Storm Protection Fee that is charged on property tax bills. The details of the fee prohibit using collected taxes for providing discounts or refunds, so funding for this purpose must come from the General Fund.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$30,215 for the General Fund Subsidy program. This represents an increase of \$29,814 (7434.9%) from the FY 2021-22 Adopted Budget.

#### **Program Overview**

The Storm Drain Maintenance program manages the City's storm drainage collection system, which is comprised of approximately 90 miles of pipe, 2,215 drain inlets, and storm outfalls to local waterways. An inspector and on-call staff provide emergency response to pollutant discharges, and crews perform general system maintenance including annual cleanout of drain inlets. and trash capture devices. Collection and management of storm water for the City is regulated under the terms of a Bay Area-wide National Pollutant Discharge Elimination System (NPDES) and the Municipal Separate Storm Sewer System (MS4) Permit.

### **Service Objectives**

- Provide effective and timely inspection and maintenance of the storm drain system including inlet and outfall structures and collection system.
- Provide annual cleaning and inspection of all inlets and full trash capture devices.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$785,002 for the Storm Drain Maintenance program. This represents an increase of \$6,095 (0.8%) from the FY 2021-22 Adopted Budget.

The decrease is primarily due to a decrease in Cost Allocation expenses. Cost allocation expenses decreased due to lower IT costs in FY 2020-21. The decrease is offset by an increase in salary and benefits due to the reallocation of positions.

#### **Program Overview**

The Development Services Division is comprised of two areas:

- Development Services reviews plans for private developments and utility encroachments to ensure conformance with City standards and policies.
- Inspection Services ensures compliance with City standards and approved plans on all public and private developments and utility projects.

## Service Objectives

- Ensure that private development projects provide necessary supporting infrastructure and potential impacts on the community are mitigated.
- Place safety of the general public, City employees and construction workers as the highest priority on construction sites.
- Inspect utility encroachment permits for work within the City right-of-way and return streets and sidewalks to City standards.
- Ensure compliance with stormwater permits and prevent runoff from polluting nearby watersheds. Work closely with the Environmental Programs Division to continue inspecting job sites before, during and after each rain event and conduct annual inspections of all Post Construction Treatments and Stormwater Pollution Prevention Plan (SWPPP) compliance.
- Respond to public inquiries or complaints in a timely manner.
- Provide aid and information to other City Divisions and Departments, including Community
  Development, Building, Capital Improvements, City Attorney's Office, Public Works Maintenance and
  Operations and Parks and Recreation as needed to facilitate private developments and public
  infrastructure projects.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,471,996 for the Plan Review program. This represents a decrease of \$386,555 (-20.8%) from the FY 2021-22 Adopted Budget.

The decrease is due to a reduction in special projects that vary from year to year and salary and benefits due to a reallocation of staff and cost allocation.

#### **Program Overview**

The Capital Improvement Program (CIP) Division plans, manages, and implements improvements to city land, parks, building and infrastructure. These projects are derived from resident input, master plans, needs assessments, interdepartmental requirements, maintenance of the City's facilities, and innovations in our understandings of how the facilities can best serve our population. The division undertakes all aspects of project implementation, including contract administration for design, construction, and overall project management. Project types include, but are not limited to streets, sidewalks, storm drainage, buildings, parks, bicycle and pedestrian improvements and other public facilities. Responsibilities also include claims avoidance, environmental and regulatory compliance and monitoring, and the development of the annual budget and program scope.

# **Service Objectives**

- Ensure that all public improvements are designed and constructed in accordance with community expectations and City standards.
- Place safety of the general public, City employees and workers as the highest priority in the delivery of capital projects.
- Respond to public inquiries or complaints in a timely manner.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,804,405 for the CIP Administration program. This represents an increase of \$48,556 (2.8%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase is due to new employees being hired to fill vacant positions.

#### **Program Overview**

The Service Center Administration program manages Public Works maintenance operations that include the major divisions of streets, grounds, trees and medians, facilities and fleet, as well as the minor divisions of signs/markings, storm drain, sidewalk, curb and gutter, trails, overpasses and storm water; provides customer service to the general public; provides administrative support for maintenance staff, supervisors, and management; general training prioritization; assignment of service calls; provides oversight of various contracted services including street sweeping, janitorial and a wide variety of maintenance and minor public works contracts; manages the sheriff's work furlough program 7 days per week; and collaborates with Public Works Engineering for asset improvements beyond routine maintenance.

# **Service Objectives**

- Create a positive environment that fosters efficiency and innovation for service center employees.
- Ensure proper documentation and inventory of trees, sidewalk repair, striping and legends, street signs, vehicle and equipment, streetlights and stormwater pollution.
- Maintain records of all complaints and requests for services by tracking responses through computer programs and written service request forms.
- Process the payments for all services and materials generated through the Service Center.
- Maintain productivity units of measure for key tasks performed.
- Support Public Works Engineering in the collection of field data, review of improvement drawings and development of capital improvement projects.
- Maintain, lead and implement all elements of the Injury and Illness Prevention Program.
- Maintain positive, accountable relations with employee bargaining groups.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,290,762 for the Service Center Administration program. This represents an increase of \$36,037 (2.9%) from the FY 2021-22 Adopted Budget.

The increase is due to special projects that vary in costs from year to year and salary and benefit costs. Compensation and benefits increased due to a department reorganization. Contract services decreased while Special Projects increased because the office reconfiguration project is being allocated to Special Projects for improved tracking.

#### **Program Overview**

McClellan Ranch Park is one of 19 parks and open space areas managed by the Grounds Division of the Public Works Department.

#### Service Objectives

- The main objective of the Grounds Division is to provide the residents of Cupertino with the cleanest and safest recreational areas to enjoy in the Bay Area.
- Provide daily general clean up, trash removal, and graffiti removal.
- Provide twice annually the mowing of fire breaks per Fire Marshal request in a manner in which wildlife is least impacted.
- Utilize weekend work furlough program as needed to assist in weekend and weekday cleanup.
- Provide logistical support to the Parks & Recreation Department for all of the City's special events.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$235,194 for the McClellan Ranch Park program. This represents an increase of \$47,372 (25.2%) from the FY 2021-22 Adopted Budget.

The increase is mainly due to a special project.

#### **Program Overview**

Memorial Park is one of 19 parks and open space areas managed by the Grounds Division of the Public Works Department. Memorial Park is the largest and most utilized park in Cupertino.

#### **Service Objectives**

- The main objective of the Grounds Division is to provide the citizens of Cupertino with the cleanest and safest recreational areas to enjoy in the Bay Area.
- Provide daily general clean up, trash removal, graffiti removal, irrigation adjustments and repairs and basic play structure inspections and maintenance.
- Provide weekly maintenance that may include mowing and edging of turf areas, tennis court cleaning and general maintenance, basketball court maintenance and programmed play structure inspections and maintenance.
- Provide quarterly maintenance that may include fertilization applications, aerating, over-seeding, top dressing, and pruning of trees and shrubs.
- Provide semi-annual maintenance that may include replacement of planting material, pre-emergent applications, playground woodchip replenishing and preparation of athletic fields for seasonal use.
- Maintain all playgrounds in accordance with California playground safety requirements.
- Minimize the negative effects of waterfowl to park patrons.
- Reduce water consumption wherever practicable.
- Utilize weekend work furlough program as needed to assist in weekend and weekday cleanup.
- Provide logistical support to the Parks & Recreation Department for all the City's special events.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$871,977 for the Memorial Park program. This represents an increase of \$3,000 (0.3%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in Materials is due to increases in water and utility rates. The increase in Contract Services is due to playground surfacing. The increase in Special Projects is due to a project to replace damaged tiles at the Veteran's Memorial. The decrease in Cost Allocation expenses is due to fewer recruitments in FY 2020-21.

#### **Special Projects**

The following table shows the special projects for the fiscal year.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$298,534 for the BBF Ground Maintenance program. This represents an increase of \$24,743 (9.0%) from the FY 2021-22 Adopted Budget.

This increase is due to increases in Materials, Cost Allocation, and one-time special projects that vary from year to year. Those increases are offset by decreases in compensation and benefits due to a decrease in part-time staff. Cost Allocation expenses increased due to a recruitment in FY 2020-21.

#### **Program Overview**

Under a joint use agreement with Cupertino Union School District, nine athletic fields and landscape areas, constituting approximately 52 acres, are managed by the Grounds Division of the Public Works Department. These sites include Hyde and Kennedy Middle Schools, Collins, Eaton, Lincoln, Regnart, Faria, Stevens Creek and Garden Gate Elementary Schools.

## **Service Objectives**

- The main objective of the Grounds Division is to provide the residents of Cupertino with the cleanest and safest recreational areas/athletic fields in the Bay Area.
- Provide daily general clean up, trash removal, graffiti removal, irrigation adjustments and repairs and other maintenance.
- Provide weekly maintenance that may include mowing and edging of turf areas and other maintenance.
- Provide quarterly maintenance that may include fertilization, aerating, over-seeding, top dressing, and pruning of trees and shrubs.
- Provide semi-annual maintenance that may include replacement of planting material, pre-emergent
  applications and preparing athletic fields for seasonal use.
- Maintain school sites for recreational activities including soccer, baseball, cricket, track and field, softball and a variety of other sports.
- Reduce water consumption wherever practicable.
- Utilize weekend work furlough program as needed to assist in weekend and weekday cleanup.
- Provide logistical support to the Park and Recreation Department for all the City's special events.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,630,018 for the School Site Maintenance program. This represents an increase of \$30,035 (1.9%) from the FY 2021-22 Adopted Budget.

This increase is due to increases in Materials and Contract Services and is offset by decreases in cost allocation and special projects that vary from year to year. Materials are increasing due to higher electricity and water rates. Contract Services are increasing due to tree maintenance and fence repairs. Cost Allocation expenses are decreasing due to lower IT costs in FY 2020-21.

#### **Program Overview**

Neighborhood Parks include 13 of the 19 parks and open space areas managed by the Grounds Division of the Public Works Department. Neighborhood park sites include Linda Vista, Mary Avenue Dog Park, Monta Vista, Portal, Somerset, Varian, Wilson, Three Oaks, Hoover, Canyon Oak (Little Rancho), Franco Park, Sterling/Barnhart, and Oak Valley.

## **Service Objectives**

- The main objective of the Grounds Division is to provide the residents of Cupertino with the cleanest and safest recreational areas to enjoy in the Bay Area.
- Provide daily general clean up, trash removal, graffiti removal, irrigation adjustments and repairs and basic play structure inspections and maintenance.
- Provide weekly maintenance that may include mowing and edging of turf areas, tennis court cleaning and general maintenance, basketball court maintenance and programmed play structure inspections and maintenance.
- Provide quarterly maintenance that may include fertilization applications, aerating, over-seeding, top
  dressing, and pruning of trees and shrubs.
- Provide semi-annual maintenance that may include replacement of planting material, pre-emergent applications, playground woodchip replenishing and prepare athletic fields for seasonal use.
- Maintain all playgrounds in accordance with California playground safety requirements.
- Reduce water consumption wherever practicable.
- Utilize Weekend Work furlough program as needed to assist in weekend and weekday cleanup.
- Provide logistical support to the Parks & Recreation Department for all the City's special events.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$2,687,196 for the Neighborhood Parks program. This represents an increase of \$39,916 (1.5%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in Materials is due to increased water and utility costs. The increase in Contract Services is due to playground resurfacing. Special Projects are increasing as described below. The increases are offset by a decrease in Cost Allocation expenses due to lower IT costs in FY 2020-21.

#### **Special Projects**

The following table shows the special projects for the fiscal year.

#### **Program Overview**

The sports fields at Jollyman and Creekside parks are among the 19 parks and open space areas managed by the Grounds Division of the Public Works Department. Sports fields at these two parks are heavily used and enjoyed by the community.

#### **Service Objectives**

- The main objective of the Grounds Division is to provide the citizens of Cupertino with the cleanest and safest recreational areas and sports fields in the Bay Area.
- Provide daily general clean up, trash removal, graffiti removal, irrigation adjustments and repairs and other maintenance.
- Provide weekly maintenance that may include moving and edging of turf areas, programmed play structure inspections, and other maintenance.
- Provide quarterly maintenance that may include fertilization applications, aerating, over-seeding, top
  dressing, and pruning of trees and shrubs.
- Provide semi-annual maintenance that may include replacement of planting material, pre-emergent applications and preparing sports fields for seasonal use.
- Maintain sports fields for recreational activities including soccer, baseball, cricket, track and field, softball and a variety of other sports.
- Maintain all playgrounds in accordance with California playground safety requirements.
- Reduce water consumption wherever practicable.
- Utilize weekend work furlough program as needed to assist in weekend and weekday cleanup.
- Provide logistical support to the Parks & Recreation Department for all the City's special events.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$881,604 for the Sport Fields Jollyman, Creekside program. This represents a decrease of \$44,146 (-4.8%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in Materials is due to increased water and utility costs. The increase in Contract Services is due to annual tree maintenance. #### **Program Overview**

Maintain sidewalks, curb and gutter to a standard that is functional and improves accessibility and minimizes liability. Optimize the use of available funds by coordinating with other improvement projects.

#### **Service Objectives**

Timely maintain concrete improvements in response to citizen complaints and coordinate with programmed asphalt improvements.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,982,206 for the Sidewalk Curb and Gutter program. This represents an increase of \$113,303 (6.1%) from the FY 2021-22 Adopted Budget.

This increase is due to the reallocation of staff to this program and increased special project costs that vary from year to year.

#### **Program Overview**

This program maintains streets to a standard that balances preventative maintenance with stop-gap measures while minimizing liability.

#### **Service Objectives**

- Perform preventative maintenance activities of fog seal and crack fill.
- Perform stop-gap maintenance of arterial, collector and residential streets.
- Oversee and manage contracted pavement maintenance projects.

# Adopted Budget

On June 9, 2022, City Council approved a budget of \$4,587,213 for the Street Pavement Maintenance program. This represents a decrease of \$209,856 (-4.4%) from the FY 2021-22 Adopted Budget.

The decrease is mainly due to lower Contract Services and Cost Allocation expenses. Contract Services were higher last year due to fog seal and crack seal projects. Cost Allocation expenses decreased due to reduced Street Pavement Maintenance expenses in FY 2020-21. The decreases were partially offset by an increase in Compensation and Benefits due to the addition of a Maintenance Worker Lead.

This program maintains street regulatory and informational signs, street striping, markings, and legends, as well as removes graffiti within street right-of-way in a timely manner.

#### **Service Objectives**

- Respond to regulatory and informational sign issues in a timely manner.
- Coordinate and respond to work orders from the Traffic Engineer.
- Maintain street sign and traffic marking assets in compliance with the Manual of Uniform Traffic Control Devices.
- Remove graffiti in a timely manner.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$829,894 for the Street Sign Marking program. This represents a decrease of \$71,971 (-8.0%) from the FY 2021-22 Adopted Budget.

The decrease is mainly due to the Cost Allocation Plan, reduced salary and benefits, contract services and special project costs that vary from year to year.

#### **Program Overview**

Maintain city-owned streetlights (2,950), parking lot lights and park lighting.

#### **Service Objectives**

- Respond to outages in a timely manner.
- Conserve electricity through the conversion of older less efficient light technology to current and tested technologies.
- Replace direct buried wiring with wiring in conduits as failures occur.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,024,841 for the Street Lighting program. This represents an increase of \$36,521 (3.7%) from the FY 2021-22 Adopted Budget.

This increase is due to increases in Materials and Cost Allocation. Materials are increasing due to a 20% increase in electricity rates. Cost Allocation expenses are increasing due to a recruitment in FY 2020-21.

#### **Program Overview**

This program manages Service Center solid waste disposal, Service Center safety inspections, handling/disposal/reporting of City generated hazardous waste and materials – including waste that may be illegally deposited upon the right-of-way. Provide street cleaning for unforeseen events such as debris from trucks or other sources.

### **Service Objectives**

- Coordinate disposal of solid waste.
- Adhere to the requirements of hazardous waste/materials storage, handling and reporting.
- Comply with Fire Marshal safety inspection requirements for Service Center facilities.
- Inspect and maintain below ground fuel tanks as required.
- Clean up traffic debris that may become deposited on streets while reducing traffic hazards.

### Adopted Budget

On June 9, 2022, City Council approved a budget of \$224,137 for the Environmental Materials program. This represents an increase of \$6,441 (3.0%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year.

#### **Program Overview**

The Trails Maintenance Program maintains about 3 linear miles of trails including the adjacent landscape at the Don Burnett Bridge and the Lawrence Trail. Historically the maintenance of this program has been funded out of Medians and Overpasses Program (824) Expansion of trails in the city has made it necessary to separate out trail's maintenance.

### **Service Objectives**

- Maintain and improve trails in the public right-of- ways including the landscaped areas on the approach to the Don Burnett Bridge and the Lawrence Trail.
- Maintain clean and safe ingress and egress on all city-maintained trails.
- Meet all Department of Pesticide Regulation requirements for weed and pest control.
- Timely pruning of trees and plants to promote healthy landscapes, maximize aesthetics and to reduce future maintenance requirements.
- Timely removal of trash and graffiti.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$232,764 for the Trail Maintenance program.

This is a new program for FY 2022-23. Staff was reallocated from other Trees and Right of Way Division programs.

#### **Program Overview**

The Overpasses and Medians program maintains 31.67 developed acres of median island hardscapes and softscapes as well as 21.69 undeveloped acres of city right-of-way, the landscaped area of the Lawrence trail, and the landscaped area of the Don Burnett Bridge.

#### **Service Objectives**

- Maintain and improve median islands, landscape strips, trails, landscaped roadsides and public right-ofways.
- Maintain and improve water efficient programming of irrigation systems.
- Meet all Department of Pesticide Regulation requirements for weed and pest control.
- Timely pruning of plant material to promote plant health, maximize aesthetics and to reduce future maintenance requirements.
- Plant and care for new plant stock to help ensure future plant health and reduce future maintenance requirements.
- Conserve water through the planting of appropriate plant stock.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,802,896 for the Overpasses and Medians program. This represents an increase of \$151,061 (9.1%) from the FY 2021-22 Adopted Budget.

This increase is due mainly to an increase in Special Projects. Benefits are increasing due to the reallocation of staffing. Cost Allocation expenses are decreasing due to lower IT costs and fewer recruitments in FY 2020-21.

#### **Program Overview**

The Trees Division maintains the safety, health and appearance of approximately 23,300 Street and Right-of-Way trees, as well as promotes disease-free trees to enhance the City's urban forest.

#### **Service Objectives**

- Proactively perform the activities of trimming, staking, pest management and other tree health-related functions.
- Respond to citizen requests to perform the trimming or other tree health-related services in a timely manner.
- Remove diseased and damaged trees as needed.
- Plant replacement trees for trees removed due to disease and damage.
- Continue activities to maintain standing as a Tree City USA program.
- Update the forestry work plan as needed to establish goals and objectives of the tree maintenance program for the City.
- Oversee street tree maintenance and removal contracts.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,681,931 for the Street Tree Maintenance program. This represents a decrease of \$248,501 (-12.9%) from the FY 2021-22 Adopted Budget.

The decrease is due to the Cost Allocation Plan, reallocation of positions, and special project costs that vary from year to year. Cost Allocation expenses are decreasing due to no recruitments in FY 2020-21.

#### **Program Overview**

The Sheriff Work Program supplements existing Service Center staffing with individuals in a sentencing alternative program. Participants of the program perform manual labor type duties. The work performed by this program reduces the number of full-time maintenance workers required.

#### **Service Objectives**

- Efficiently administer and schedule the Sheriff Work Program for a variety of non-skilled activities, including trash pick-up, weed control, right-of-way maintenance and sandbag filling.
- Offset manual work currently performed by skilled labor so as to increase overall productivity at the Service Center.

### Adopted Budget

On June 9, 2022, City Council approved a budget of \$541,776 for the Sheriff Work Program program. This represents a decrease of \$30,239 (-5.3%) from the FY 2021-22 Adopted Budget.

This decrease is due to a decrease in compensation and Cost Allocation. Compensation and benefits are decreasing due to a reallocation of positions. Cost Allocation expenses are decreasing due to lower IT costs in FY 2020-21. Contracts Services is increasing due to the addition of portable restroom and handwashing stations.

#### **Program Overview**

This program maintains Quinlan Community Center building to ensure efficient operations, employee satisfaction, user satisfaction and community pride.

#### **Service Objectives**

- Provide a safe, clean and productive working environment for the public and employees.
- Maintain an attractive appearance in spaces available as rentals.
- Respond to requests made by Parks & Recreation Department staff.
- Manage and responsibly coordinate work completed by contractors.
- Perform improvements that responsibly conserve the resources of water, electricity, and gas.

### Adopted Budget

On June 9, 2022, City Council approved a budget of \$638,815 for the Quinlan Community Center Maintenance program. This represents an increase of \$77,556 (13.8%) from the FY 2021-22 Adopted Budget.

The increase is due to materials, contract increases and special project costs that vary from year to year.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$616,786 for the Senior Center Maintenance program. This represents an increase of \$214,863 (53.5%) from the FY 2021-22 Adopted Budget.

The increase is mainly due to materials, contract services, and special projects. Repairs are needed because the facility was closed for much of last fiscal year. Compensation and benefits are decreasing due to vacant position being budgeted at a lower rate than the prior encumbent

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$640,197 for the Sports Center Maintenance program. This represents an increase of \$17,145 (2.8%) from the FY 2021-22 Adopted Budget.

This increase is due to Materials, Contract Services, changes in Cost Allocation Plan, and special project costs that vary from year to year. Materials are increasing due to increases in electricity, water, and sewer rates. Contract Services are increasing due to a contract for HVAC control servicing, which was previously a special project.

### **Program Overview**

This program maintains Community Hall and interactive fountain to ensure efficient operations, employee satisfaction, user satisfaction, and community pride.

### **Service Objectives**

- Provide a safe, clean and productive working environment for the public and employees.
- Respond to requests made by Community Hall users.
- Manage and responsibly coordinate work completed by contractors.
- Ensure water quality and functionality of interactive fountain.
- Perform improvements that responsibly conserve the resources of water, electricity, and gas.
- Comply with mandated water restrictions.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$255,256 for the Community Hall Maintenance program. This represents a decrease of \$4,505 (-1.7%) from the FY 2021-22 Adopted Budget.

The decrease is primarily due to one-time special projects that vary from year to year and decreased Cost Allocation Plan charges. Materials are increasing due to higher electricity and water rates. Contract Services are increasing due to a new janitorial contract.

### **Program Overview**

This program maintains Blackberry Farm buildings and facilities to ensure efficient operations, employee satisfaction, user satisfaction, and community pride.

### **Service Objectives**

- Provide a safe, clean and productive working environment for the public and employees.
- Timely response to requests made by Parks & Recreation Department staff.
- Manage and responsibly coordinate work completed by contractors.
- Perform improvements that responsibly conserve the resources of water, electricity, and gas.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$578,769 for the Blackberry Farm Maintenance program. This represents an increase of \$36,730 (6.8%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year.

# **Special Projects**

The following table shows the special projects for the fiscal year.

### **Program Overview**

This program maintains the Traffic Operations Center on Franco Court to ensure efficient operations, user satisfaction, and community pride.

### **Service Objectives**

- Provide a safe, clean and productive working environment for city employees.
- Respond to requests made by Traffic Operations Center staff.
- Manage and responsibly coordinate work completed by contractors.
- Perform improvements that responsibly conserve the resources of water, electricity, and gas.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$17,036 for the Franco Traffic Operations Center program. This represents an increase of \$10,378 (155.9%) from the FY 2021-22 Adopted Budget.

The increase is mainly due to contract services for janitorial and security. Janitorial costs were not budgeted in FY 2021-22.

### **Program Overview**

Maintain City Hall Annex building to ensure efficient operations, property management and community pride.

### **Service Objectives**

- Provide a safe, clean and productive working environment for building occupants.
- Assist with the pending improvement projects.
- Feasibly conserve resources of water, electricity, and gas.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$25,525 for the City Hall Annex program. This represents a decrease of \$37,851 (-59.7%) from the FY 2021-22 Adopted Budget.

The decrease is mainly due to the loss of the majority of tenants and initial costs required to transition this newly acquired property. Materials costs include electricity, telephone, and water. Contract Services are for janitorial costs, which were not budgeted in FY 2021-22.

### **Program Overview**

The Transportation Division oversees traffic operations, traffic studies, transportation planning, and transportation capital improvements to safely and efficiently manage all modes of travel within the City's street and trail network. This includes responding to citizen requests and concerns regarding traffic issues, developing plans for the installation of traffic signals, traffic signs, and pavement markings, and developing design standards. The Division assists in the preparation of the General Plan, street plan lines and the capital improvement program related to street improvements. Division staff are active on Santa Clara Valley Transportation Authority (VTA) subcommittees and working groups and keeps abreast regarding current developments in the field as well as grant funding opportunities for large projects.

The Transportation Division also participates in the review of private development proposals to identify potential traffic impacts and to require necessary mitigations to maintain levels of service and safe and efficient traffic operations.

# Service Objectives

- Ensure the efficiency and safety of the street system for all modes of travel through continual observation of traffic patterns, traffic signals and other traffic control devices.
- Review traffic collision reports, traffic flow patterns, and neighborhood traffic issues and respond as needed.
- Cooperate with neighboring jurisdictions on regional issues that affect both traffic safety and traffic efficiency at City boundaries.
- Continue training personnel in traffic engineering by encouraging attendance at classes and seminars.
- Encourage the use of alternate modes of transportation to the single occupancy vehicle through the implementation of recommendations from the Bicycle and Pedestrian Transportation Plans.
- Supports transit initiatives, ride-share programs, carpool programs, and transportation planning work for all modes of transportation.

### **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$1,530,072 for the Traffic Engineering program. This represents an increase of \$15,673 (1.0%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in Special Projects is due to City Work Program projects.

### **Program Overview**

The Traffic Signal Maintenance Division oversees the operation and maintenance of the City's 60 traffic signals, including eight traffic signals owned by the State of California. The Division also maintains the traffic signal communication infrastructure, such as the fiber optic network and the traffic operation center hub.

## **Service Objectives**

- Ensure the continuous and safe operation of the City's traffic signal system on a continuous 24-hour basis with full-time and on-call staff, which is accomplished by regularly performing preventative maintenance, diagnosing malfunctions and repairs, investigating citizen complaints, replacing or upgrading obsolete hardware, inspecting the work of contractors, responding to knockdowns and power outages, and adjusting signal timing parameters.
- Continue training, maintaining proficiency of traffic signal technicians and on-call staff by encouraging attendance at classes and seminars.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$811,350 for the Traffic Signal Maintenance program. This represents a decrease of \$482 (-0.1%) from the FY 2021-22 Adopted Budget.

The budget is relatively unchanged from last fiscal year. The increase in Compensation and Benefits is due to the promotion of a Traffic Signal Technician Apprentice to a Traffic Signal Technician. The increase in Materials is due to higher electricity costs. The increases are offset by a decrease in Cost Allocation expenses due to lower IT costs and no recruitments in FY 2020-21.

## **Revenues and Expenditures**

### **Program Overview**

Safe Routes 2 School seeks to engage local schools, school districts, parent organizations, community groups, and the Santa Clara County Sheriff's Office in the mission of reducing Singular Occupancy Vehicle (SOV) travel to and from school in order to reduce carbon emission and car traffic and increase student safety. The program seeks to achieve these objectives through education, encouragement, enforcement, and engineering infrastructure changes in and around Cupertino schools.

## **Service Objectives**

- Help to improve the health and well-being of children by increasing the number of students who walk
  or bike to school.
- Develop partnerships with school administrators, staff, parents, and children.
- Encourage and empower more students and families to walk, bike, carpool, and take alternative transit to school.
- Adjust signage and infrastructure surrounding Cupertino schools to facilitate a safer environment for bicycle and pedestrian travel.
- Educate students and families about the benefits of walking and bicycling to school; health, environmental protection, academic improvements, community building and more.
- Minimize gaps in communication between City, School Districts, and Schools and collaborate on efforts to increase student safety.
- Enhance bicyclist and pedestrian student safety through coordination of skills classes and distribution of educational material.

## **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$661,062 for the Safe Routes 2 School program. This represents a decrease of \$185,209 (-21.9%) from the FY 2021-22 Adopted Budget.

The decrease is mainly due to reduced Contract Services and Special Projects. Contract Services were higher last year due to additional crossing guard services. Special Projects were higher last year due to special projects for pedestrian education and riding for focus. The increase in compensation is due to additional part-time staff.

### **Program Overview**

This program purchases vehicles and equipment having a value greater than \$5,000 and expected life of more than one year. Equipment users are charged for the use of these assets through a depreciation schedule. Equipment used by Special Revenue and Enterprise funds are charged to the respective funds.

### **Service Objectives**

- Obtain quality equipment through competitive bidding.
- Purchase energy efficient vehicles whenever practical.
- Purchase quiet, ergonomic and environmentally friendly equipment whenever practical.

# **Adopted Budget**

On June 9, 2022, City Council approved a budget of \$7,844 for the Fixed Assets Acquisition program. This represents a decrease of \$993,173 (-99.2%) from the FY 2021-22 Adopted Budget.

The vehicle and equipment replacement requests were removed via City Council motion at the Proposed Budget study session. Fixed assets requests for vehicle and equipment replacement will be brought to City Council at a later time when additional information is available.
