Vacation leave of less than the full amount earned may be taken with the approval of the Supervisor.

14.3.3 On termination of employment or on receiving a leave of absence of more than three (3) months, an employee who has completed 12 months of continuous service with the City shall be entitled to receive compensation for all earned but unused vacation accrued at the time of termination or at the start of said leave of absence.

14.3.4 The accrual of vacation credits for those employees whose normal work week is of not less than one-half (1/2) time shall be prorated according to the time of the recurring work assignment as to the normal work week.

14.4 Sick Leave

All full time employees hired before October 17, 2012, (other than those holding temporary status), shall earn eight (8) hours per month sick leave time without limit on accumulation. All employees hired on or after October 17, 2012 shall earn eight (8) hours per month sick leave time, but may accrue no more than 240 hours of sick leave time.

Those regular employees working less than full time (at least 20 hours per week) shall earn a prorated amount of sick leave based on their regular hours worked in relation to 40 hours. Employees absent without pay for any reason for more than forty (40) hours during a calendar month shall not earn sick leave benefits for that month. Sick leave may be utilized due to the employee's personal illness, pregnancy disability or sickness or injury to the immediate family as defined below.

With proper notice and supervisory approval, except in a case of bon-a-fide injury or illness and/or unforeseen emergency, sick leave shall be taken in periods of no less than one-half (1/2) hour increments.

The employee's immediate family consists of any of the following: Children, step-children, spouse/domestic partner, parents, mother-in-law, father-in-law, siblings, grandchildren and grandparents who because of illness cannot care for themselves, and for medical emergencies. Employees shall, whenever possible, make appointments for medical, dental and similar purposes during non-work hours. If this is not possible, sick leave may be used for these purposes.

An employee hired on or after October 17, 2012 may borrow up to 40 hours of sick leave, subject to Department Head approval for sick time related to an industrial disability. The employee will be required to repay this advance either in sick or vacation leave hours or dollars, at the employee's option, upon returning to work as defined in the sick leave advance policy. If an employee separates employment prior to repayment of the full balance due, the amount due will be deducted from their final pay.

14.5 Sick Leave Verification

A Department Head or supervisor may require employees to furnish reasonable acceptable evidence, including a doctor's certificate, to substantiate a request for sick leave if the sick leave exceeds three (3) consecutive workdays. A supervisor may also require a doctor's certificate or other form of verification where leave abuse is suspected.

If it appears that an employee is abusing sick leave or is using sick leave excessively, the employee will be counseled that the continued use of sick leave may result in a requirement to furnish a medical certificate for each such subsequent absence for sick leave regardless of duration. Continued abuse of leave or excessive use of sick leave may constitute grounds for discipline up to and including dismissal.

14.6 Personal Leave

The City shall allow accumulated sick leave to be used for conducting personal business which cannot be conducted outside regular working hours or for family medical emergencies.

14.7 Bereavement Leave

Employees shall be granted paid bereavement leave of up to 24 hours upon the death of a close relative. Close relatives are defined as mother, father, sister, brother, wife, husband, domestic partner, child, step-child, grandparent, grandchildren, mother-in-law, father-in-law, step father, step mother, step brother and step sister. Additional bereavement leave of

up to 16 hours will be granted for travel out-of-state or over 200 miles. An employee may request bereavement leave for the death of an individual not listed above and whom they have a close and significant relation with and/or hours greater than 24, but not more than 40, which Human Resources can grant at their discretion. A denial under this section shall not be subject to the grievance procedure.

14.8 Military Leave

Military leave shall be granted in accordance with the provisions of state law. All employees entitled to military leave shall give their supervisor an opportunity, within the limits of military requirements, to determine when such leave shall be taken.

14.9 Pregnancy Disability Leave:

An employee disabled by pregnancy is eligible for up to four months of unpaid pregnancy disability leave (PDL) as defined by law. This leave is to be used when the employee is disabled due to pregnancy or child birth or related medical condition, including but not limited to, morning sickness, pregnancy complications and prenatal appointments. Accrued sick leave may be used during the leave, and the employee has the option to use accrued vacation, floating holidays and/or compensatory time in order to receive pay during the leave. If the employee is also eligible for leave under the Federal Family Medical Leave Act (FMLA), (employee must be employed by the City for at least one year and have worked at least 1250 hours during the year preceding the leave), the leave the employee takes for pregnancy disability will be run concurrently with the employee's entitlement to up to 12 weeks of FMLA leave. Employees otherwise eligible for health insurance benefits (medical, dental and vision) will continue to receive such benefits during the period of the PDL leave up to four months as defined by law per 12 month period.

After PDL and FMLA leave, if applicable, expires and if the employee is on unpaid status or the employee has less than 20 hours per week on their timesheet, the employee may elect to continue and enroll in COBRA benefits at employee's expense.

The employee will be accruing sick leave, floating holiday and vacation leave during the period of time, if any, and the employee is on paid status. Any time the employee's hours adjust to less than 40 hours per week, of paid status, the employee's accrual rates (sick leave, vacation leave, floating holiday) will be prorated and be adjusted accordingly. Sick leave, floating holiday and vacation leave do not continue to accrue during any period the employee is on unpaid status.

Under the California Family Rights Act (CFRA) eligible employees are entitled up to 12 additional weeks of leave to bond with the baby. To be eligible for the CFRA bonding leave, employee must be employed by the City for at least one year and have worked at least 1250 hours during the year preceding the leave. The leave is unpaid, but the employee may use floating holiday, compensatory time and vacation leave in order to receive pay during the leave. The employee may use sick leave for a baby's illness or doctor's

appointment when applicable to receive pay during the leave. Bonding leave must be used within one year of the birth of the baby.

An employee who plans to take PDL must give reasonable notice (not less than 4 weeks if anticipated or as soon as possible if the leave is unforeseen) before the date employee expects to take the leave. As with all other employees returning from medical leave, employees returning from PDL leave of at least 3 days are required to provide a doctor's note clearing them to return to work. If an employee requires reasonable accommodations as a result of pregnancy, employee should consult with Human Resources. Employees disabled by pregnancy and employees on leave to bond with a baby may be eligible for benefits under State Disability Insurance. Additional information is available at www.edd.ca.gov/Disabililty and from Human Resources.

14.10 Adoption Leave

Upon request, a leave of absence without pay for up to four (4) work weeks will be granted to adoptive parents. Such leave must be used within one year of the adoption. The city will pay health and welfare benefits for the duration of the leave at the same rate as prior to the leave, consistent with the contributions as provided for under the existing MOU.

If the employee is eligible for FMLA/CFRA (employed by the city for at least one year and worked at least 1250 hours during the year preceding the leave), employee may be eligible for up to 12 work weeks total (the above four (4) work weeks plus an additional eight (8) work weeks) for bonding with the adopted child during the first year after adoption. The employee may be eligible for health benefits during the twelve (12) work week period at the same rate as prior to the leave as provided for under the existing MOU.

During adoption leave, accrued vacation may be used by the employee at his or her option in order to receive pay during the leave. Sick leave may only be used during the leave in the event of illness or medical appointments of the adoptive child during the leave.

14.11 Absence Notification

An employee is expected not to be absent from work for any reason, other than personal illness, without making prior arrangements with their supervisor. Unless prior arrangements are made, an employee who, for any reason, fails to report for work must notify their supervisor by telephone, text, or email of their reason for being absent no later than 15 minutes prior to their scheduled start time.

If the absence, whether for personal illness or otherwise, is to continue beyond the first day, the employee must notify the supervisor on a daily basis unless otherwise arranged with his/her supervisor. In proper cases, exceptions will be made.

Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay and will be grounds for disciplinary action up to and including dismissal by the Department Head. In the absence of such disciplinary action, any employee who

absents herself/himself for three (3) days or more without authorized leave shall be deemed to have resigned. Such absence may be covered, however, by the Department Head by a following grant of leave with or without pay when extenuating circumstances are found to have existed.

14.12 Catastrophic Leave

The City's catastrophic leave committee will establish a definition of catastrophic or life-threatening illness. This committee will evaluate each individual case when it is submitted to qualify to receive financial assistance. The only limitation is that the employee must be the one facing the illness. The committee has the right to ask the applicant to submit further documentation from the treating physician to determine the applicant's eligibility for catastrophic leave hours.

Vacation hours and compensatory time off (CTO) hours are the only leave of absence credits which may be donated in any pay period. A leave of absence transfer drive will be held whenever necessary to provide for a minimum catastrophic leave bank balance of 40 hours. Upon retirement or resignation, an employee can contribute up to 10 hours of sick leave provided that the employee has a minimum of 320 hours of sick leave, which has previously become vested.

All benefited employees with the City will be eligible to receive assistance. An employee does not have to be a contributor to be eligible. An employee or their representative must complete a prescribed application form together with supporting medical documentation to the Personnel Officer when applying for funds.

A recipient must have used all of their available leave hours before he/she is eligible. The maximum amount is two months (LTD becomes available at this time).

14.13 Family Medical Leave Act/California Family Rights Act

The City of Cupertino shall comply with the leave provisions of the Family Medical Leave Act and the California Family Rights Act for employees who qualify for leave under these laws.

SECTION 15: SICK LEAVE CONVERSION

15.1 Sick Leave is not vested under California statutory law.

15.2 At the time of termination, the value of non-vested hours is converted to an incentive compensation bank equal to the employee's base hourly rate.

15.3 If upon retirement an employee has a minimum of 320 non-vested hours, payment shall be made for up to eighty-five percent (85%) of the value of the incentive compensation bank.

15.4 If upon resignation an employee has a minimum of 320 non-vested hours, payment shall be made for up to seventy percent (70%) of the value of the incentive compensation bank.

15.4. a. Employees shall have the option of cashing out sick leave in accordance with Section 15 - Sick Leave Conversion. Any employee who is retiring will have the option of applying any remaining sick leave to service credit. If an employee is resigning, he/she will not have the option of applying sick leave hours to service credit.

15.5 Represented employees will have the option, subject to approval, of converting sick leave to vacation leave on a two-to-one basis only if the employee's remaining sick leave balance is 40 hours or more. The maximum allowable exchange will be 96 hours of sick time for 48 hours of vacation leave per calendar year. Minimum exchange will be eight hours sick leave for four hours of vacation. An employee may convert sick leave in excess of 320 hours to vacation leave on a one-to-one basis to a maximum of 48 hours and a minimum of four hours.

As a condition of converting sick leave to vacation, all employees will be required to use at least one-half (1/2) of vacation accrued during the previous twelve (12) months.

Such conversions, either to exchange sick leave for vacation or vice versa, shall be subject to the following conditions:

- a. All requests to exchange sick leave for vacation time shall be submitted in writing to the Department Head at least 14 calendar days in advance of intended vacation utilization.
- b. The granting of such exchange and subsequent use will be at the discretion of the Department Head.
- c. If twelve (12) months have elapsed since approval of the exchange of sick leave for vacation, and the employee has not been permitted the use of the converted vacation time, (after submitting at least one written request for utilization) the employee will have the right to re-convert the vacation time to sick leave in reverse ratio to the original exchange. This exchange will be allowed only for previously converted sick time to vacation and will not be permitted for regularly accrued vacation time.

Regularly accrued vacation time will not be eligible for this re- conversion to sick leave and any regularly accrued vacation time accrued in excess of the maximum allowable will be disallowed and not subject to utilization by the employee.

NOTE: As used in this document, "reverse ratio" is intended to mean that the ration of sick leave to vacation will revert to the original ratio at the time the initial exchange was implemented.

SECTION 16: SAFETY EQUIPMENT

The City will pay for actual cost of Safety Shoes up to \$400 from City approved vendor list. City will be billed directly from vendor, and any overages would be covered by the employee.

The City shall retain the right to establish minimum safety and quality standards for the steel toed safety shoes, clothing and safety equipment to be used while performing assigned tasks.

The city will provide to the employee the following: hard hat, safety glasses, ear protection, gloves, chain saw slip-on foot protection for employees who operate chain saws, orange safety tee shirts and/or uniform shirts (11), sweatshirts, safety jacket (1 jacket every other year), and rain boots.

The city will continue to provide and launder shirts or overalls, which shall be worn while carrying out the duties of the city.

It is the responsibility of the employee to have the required clothing and/or safety equipment needed for the tasks assigned. If an employee should be at work without the required clothing and/or safety equipment, that employee will not be paid until he/she is at the worksite with the required clothing and/or safety equipment.

Hard hats must be worn when work performed by an employee is equal to, or above his/her eye level.

Steel toed safety shoes must be worn at all times during the workday.

For new employees, the safety and equipment allowance will be prorated from the date of employment through the end of the fiscal year in which appointed (June 30).

The City will pay for prescription safety glasses for those employees needing such protection.

The parties agree to discuss the safety equipment requirements during the first year of this contract at the regular Labor Management meetings in an effort to arrive at a mutually agreeable list of equipment purchases and maintenance.

SECTION 17: CITY SPONSORED RECREATION AND WELLNESS PROGRAMS

All bargaining unit employees shall have the privilege of enrollment in City sponsored recreation programs at the City residents' fee structure and in preference to non-residents wishing to enroll. Each calendar year, employees and family members on the employee's dental plan are eligible to receive up to \$500 per employee in Rec Bucks toward recreation services in accordance with the City's Recreation Buck Policy and a free, employee only annual Cupertino Sports Center membership. Part-time benefited employees will have the annual amount of Recreation Bucks prorated based on number of hours worked. Recreation Bucks are a taxable benefit under IRS Code. They must be used by the employee within the calendar year and are non-transferrable.

City employees are eligible to participate in the City's wellness program as provided for in the City's Administrative Rules and Regulations.

SECTION 18: TRAINING AND TUITION REIMBURSEMENT

It is the intent of the City to recognize the value of training to its employees and to adopt a training policy which will encourage employees to avail themselves of educational opportunities that will advance their knowledge and interests in the direction of their career with the City and by doing so to improve the Municipal Service.

Employees who wish to seek reimbursement from the City for City job related training program costs shall provide a written request for reimbursement to their immediate supervisor. The request shall include the type of program, sponsoring organization or institution, meeting times and costs for such program.

A copy of the supervisor's and superintendent's recommendation to the Department Head shall also be provided to the employee. The employee will initial supervisor's comments and the superintendent's recommendation prior to going to the Department Head for approval or denial.

Once a training program has been approved, any employee covered by this agreement will be eligible for reimbursement of up to \$2,500.00 per calendar year for tuition and books for training and education.

No employee shall receive any reimbursement until they have provided satisfactory proof of successful completion of the coursework with a grade of "C" or above, or "Pass" in the case of a Pass/Fail course. Such proof of completion shall be provided within 30 days of the conclusion of the course.

Education reimbursement is a taxable benefit under IRS Code. Education reimbursement will be applied to the calendar year in which the course is passed and satisfactory proof of completion is submitted.

Mandatory or annual coursework, attendance at conferences and training required to maintain job specific certifications or proficiencies are not included in the Education Reimbursement Program.

18.1 Service Center Safety/Training Committee

The City and the Union agree to form a committee to jointly develop a safety/training program. The committee shall meet monthly and will be responsible for the review, discussion, and recommendations of all matters concerning safety and health, including but not limited to accident investigations, safety surveys, job site inspections, safety audits, training and emergency response roles. The committee shall work to problem solve and formulate recommendations to the appropriate divisions within the Service Center. Minutes of the meetings shall be taken and will be distributed to all Service Center employees and posted in a conspicuous location(s). The City shall have two members and the Union shall have one member, to be elected by the membership, from each Service Center division.

The City and the Union are committed to a safe working environment, and in pursuit of this shared commitment both sides agree to look at the benefits of implementing a Safety Recognition Program. This effort shall be assumed by the Service Center Safety/Training Committee. Any agreement shall be by consensus between City and Union.

18.2 Labor/Management Committee

The parties agree that regular meetings to explore mutual concerns will be beneficial to the relationship between the City and the Union. To promote a problem-solving approach, the parties agree that decision making shall be cooperative.

Consequently the parties agree to meet monthly to discuss any issue concerning the rights of either party or the relationship between the City and the Union or the City and employees the Union represents. The purpose of the meetings is to exchange information and to solve problems or issues. If the issue is not resolved, it may be placed on the agenda for the next quarterly labor management meeting. The parties may mutually agree to meet less than monthly.

The parties agree that such meetings shall not be negotiations and therefore the results of the meetings shall not be binding on the parties. These meetings are not to act as a substitute for the roles and responsibilities of either a shop steward or other job classifications. The Union shall elect one representative from each division and management may have an equal number of participants on the committee.

SECTION 19: STRETCH ASSIGNMENTS

1.0 Purpose

The City of Cupertino is committed to the professional growth and development of its employees. To further that endeavor, the City has a Succession Development program to prepare current employees for future promotional opportunities within the City. To gain the necessary experience to obtain those much needed job skills, the City believes in the concept of "learning by doing" or "on the job training" which can occur through "stretch assignments."

A Stretch Assignment is a project or task beyond their current knowledge or skills level in order to "stretch" employees developmentally. A Stretch Assignment can also be working in an advanced position in a limited capacity. It is a way to expand an employee's skills and competencies.

[A Stretch Assignment differs from Working Out of Class (WOOC) in that WOOC requires the employee to meet the minimum qualifications of the position. There must be either a vacant budgeted position or a temporary vacancy due to vacation, sick leave, or leave of absence. The person already has the knowledge, skills, education or training needed to perform all the duties and responsibilities of the job].

The assignment may be a limited term of three to six months but may be extended under specific circumstances, as agreed upon by the employee and supervisor, and approved by the Superintendent. It is not to be used as a solution to fill a vacancy or understaffing. Stretch assignments receive no additional compensation because they are considered training opportunities, unless all conditions of Working out of Class apply. A stretch assignment is completely voluntary and can be terminated by either the employee or supervisor at any time. Should either side wish to terminate the assignment, they shall consult with each other and explain the reason(s) for terminating the assignment.

Stretch Assignments is intended to be a pilot program for 12 (twelve) months after adoption of this agreement. At the completion of the 12 (twelve) month pilot program period, City and OE3 Representatives will meet to discuss converting the pilot program to a permanent status program.

2.0 Procedure

1) Selection Process: Employees may self-identify at any time their desire to have a stretch assignment to their supervisor. A supervisor may also select an employee to participate in a stretch assignment if the employee agrees to an opportunity that the supervisor has identified. Supervisors may identify employees for stretch assignments when discussing future goals during the annual performance evaluation process or in one-on-one conversations. It is up to the Supervisor and the Superintendent to determine if there is a stretch assignment available, if the employee has the capacity to take on additional assignments, the operational needs of the department would not be compromised, and it coincides with the employee's professional goals.

- There may be no more than one stretch assignment per Division at any one time.
- The Public Works Divisions shall be defined as:

- Grounds
 - Trees and R/W
 - Streets
 - Fleet and Facilities
 - If there is more than one employee in one Division interested in a stretch assignment at one time, the following criteria may be considered for assignment:
 - Time elapsed between Stretch Assignments (Employees that have not had a previous Stretch Assignments shall be considered before those who have)
 - Interview with Supervisor and Lead staff
 - Previous Evaluation Rating
 - Seniority
- 2) The Assignment: The assignment should be suited to the employee's skill set and those that the employee desires to develop. It might be to exchange tasks with a coworker at the same level to gain greater breadth of experience or tasks that would normally be associated with a more advanced position. A stretch assignment could also include training in another Public Works Division or City Department, with agreement by both supervisors and both department Directors. The employee and Supervisor shall identify specific competencies to be developed. The assignment will be mutually agreed upon as well as the desired outcomes.
 - a. Stretch Assignment in an Advanced Position: When the assignment is in a more advanced position, the employee shall not be expected to perform more than a limited number of duties. This is an opportunity for the employee to gain the skills not associated with their current position.
 - 3) Workload: When performing a stretch assignment, expectations about the employee's current workload will need to be considered. Mutual agreement as to how the employee will modify or incorporate the stretch assignment into their current work must be made.
 - 4) Approval: The - Supervisor will fill in the Stretch Assignment form and return it to the Superintendent for approval.
 - 5) Feedback: The employee will receive appropriate training at the beginning of the assignment to allow him/her to learn the task sufficiently to pursue further practice independently, with limited supervision. The supervisor should provide coaching and mentoring to the employee during the assignment. Periodic feedback should occur throughout the stretch assignment. Upon conclusion of the assignment, the supervisor will use the form attached to provide the employee with feedback on the assignment. The feedback will only be placed in the employees personnel file upon the employee's request.

SECTION 20: PERFORMANCE EVALUATIONS

The purpose of performance evaluations is to have formal communication between supervisor and employee regarding job performance. It is a value to both parties to have this process be meaningful and fair.

In the event that an employee's performance appears to need improvement, the supervisor should immediately acknowledge the problems in informal or documented oral counseling sessions in a confidential setting. It is not in either the City's or the employee's interest to have the feedback delayed until the time of the annual performance evaluation.

Annual performance evaluations will occur no later than 30 days after the due date as set by Human Resources. Division Maintenance Worker III(s) should provide input in conjunction with the employee evaluation process.

SECTION 21: WORKERS' COMPENSATION BENEFITS

Any employee sustaining an injury arising out of, or in the course of, the performance of his/her job and who cannot work at the duties and responsibilities normally assigned to that job is entitled to receive Workers' Compensation as prescribed by state law.

21.1 Use of Sick Leave to Supplement Workers' Compensation Payments

Any employee entitled to receive Workers' Compensation payments may elect to supplement such payments with an amount not to exceed that which is the employee's weekly earnings or weekly earning capacity by use of sick leave payments to the extent that such sick leave has been accrued to the employee's account. Sick leave hours used will subsequently be credited to the employee's account by dividing the employee's base hourly rate into the amount that the employee would have received in Workers' Compensation injury pay.

SECTION 22: DISCIPLINARY ACTION

The City has a policy of progressive discipline. When the need for discipline arises, the minimum disciplinary action will be taken commensurate with the seriousness of the offense which has resulted in such discipline. The severity of the discipline will increase if corrective action is not taken.

The first and/or most modest step of progressive discipline in the case of minor breaches of the rules, regulations or policy is a verbal warning by the supervisor in charge. If the breach continues, or the offense is more than minor, in the judgment of the supervisor, the employee shall be notified through the issuance of an infraction notice. Such infraction notices shall remain in the supervisor's file and be destroyed after twelve months.

Should the offense, in the judgment of the supervisor, be so serious or be of a continuous nature, the supervisor shall recommend more serious reprimand measures or disciplinary action to the Superintendent. These measures would include, but not be limited to, written reprimands, suspensions and termination.

Written reprimands shall be destroyed after three (3) years if requested in writing by the employee and provided the offense has not re-occurred.

When the disciplinary action recommended by the supervisor, and with the concurrence of the Superintendent, would impact "property rights" of the employee as defined by the courts of California, it shall be referred to the Director of Public Works.

A written notice from the Director of Public Works to the employee and the Union at least ten (10) working days prior to any action, shall state the proposed disciplinary action. The notice shall also contain:

- a. effective date and time of the proposed action
- b. the alleged reason for the proposed action
- c. the acts or omission which support the allegation
- d. the materials upon which the allegation(s) are based and access to any other related items
- e. a "Skelly" pre-disciplinary statement as to the rights of the employee to respond either orally or in writing to the Director of Public Works prior to the effective date of the proposed action; and the employee's right of appeal
- f. a statement that the action will become final if the employee fails to respond to the notice within the specified time

It is understood that an employee's request for a Skelly meeting will postpone the effective date of action until the Skelly has been heard and the City has responded to issues raised in the Skelly meeting. In this case the effective date will be ten (10) working days from the Director's response.

SECTION 23: LAYOFF PROCEDURE

The appointing authority may layoff employees for lack of funds, lack of work or for other similar and just cause. The appointing authority will identify the classification(s) subject to layoff. For purposes of this Section, Maintenance Worker I and Maintenance Worker II shall be considered the same classification. Part-time employees shall be released from City service prior to any layoff of regular, full-time employees in the same classification.

Employees in a classification(s) identified for layoff shall be laid off in reverse order of seniority, based on the date of the appointment to the classification. If an employee

separates from City employment for a period of more than 30 days, the time off from City employment shall be deducted from an employee's length of service for the purpose of determining seniority.

Employees being laid off shall be entitled to placement in a lower classification; provided (a) the employee was previously employed with regular status having completed the probationary period in that lower classification and (b) the employee has more total seniority with the City than an individual in the lower classification. Any employee being displaced by an employee opting to be placed in a lower classification shall be entitled to placement in the lower classification, subject to conditions (a) and (b) listed in this section.

The City will provide a 30 day notice to any employees identified for layoff. Such notice will include the employee's rights to placement in a lower classification pursuant to this section. Medical, dental, vision, and life insurance continue through the end of the month in which the layoff is effective. In addition, the employee will be provided with an opportunity to elect to enroll in COBRA medical, dental, and/or vision coverage at the time of layoff and at employee expense.

The names of the employees affected by layoff shall be placed on a recall list for a period of two years in the reverse order of layoff and shall have the first opportunity for reinstatement. Failure to respond within ten (10) business days to a written notice of such opportunity for reinstatement shall cause that name to be removed from the recall list. Such notice shall be sent by certified or registered mail to the address of the employee on file with the City. The affected employees shall be responsible for updating the City of any change in address during the time they are on the recall list.

SECTION 24: REINSTATEMENT

With the approval of the appointing authority, a regular or probationary employee who has resigned with a good record or been recalled from a layoff action may be reinstated within twenty-four months of the effective date of resignation to a vacant position in the same or comparable classification they previously occupied. Upon reinstatement, the employee, for all purposes, shall be considered as though they had received an original appointment.

SECTION 25: GRIEVANCE PROCEDURE

Definition and Procedure: a grievance is a dispute or difference of opinion raised by an employee against the City involving the meaning, interpretation or application of the express provisions of this Agreement or the Rules on Conditions of Employment or existing work rules. A grievance shall be processed in the following manner:

Step 1: Any employee who has a grievance shall submit it designated as a grievance to the employee's immediate supervisor within ten (10) business days of the occurrence of the dispute, who is designated for this purpose by the City.

The supervisor shall give the employee an oral answer within ten (10) business days after such presentation.

Step 2: If the grievance is not settled in Step 1 and the employee wishes to advance the grievance to Step 2 of the grievance procedure, it shall be referred in writing to the employee's next highest supervisor within ten (10) business days after the supervisor's oral answer, or answer due in Step 1, and shall be signed by both the aggrieved employee and the Union Representative or Union Business Agent. The written grievance shall contain a complete statement of the facts, the provisions or provisions of this Agreement or work rules which the City is alleged to have violated and the relief requested. The supervisor or other person designated for this purpose shall discuss the grievance within ten (10) business days with the employee and the Union Representative at a time mutually agreeable to the parties. If no settlement is reached, the supervisor or other person designated for this purpose shall provide the employee a written answer within ten (10)_business days following their meeting.

Step 3: If the grievance is not settled in Step 2 and the employee wishes to appeal the grievance to Step 3 of the grievance procedure, it shall be referred in writing to the employee's Department Head within ten (10) business days after the supervisor's answer in Step 2 and shall be signed by both the aggrieved employee and the Union Representative or Union Business Agent. The Department Head shall discuss the grievance within ten (10) business days with the employee and the Union Steward at a time mutually agreeable to the parties. If no settlement is reached, the Department Head shall give the City's written answer to the employee within ten (10) business days following their meeting.

Step 4: If the grievance is not settled in Step 3 and the employee wishes to appeal the grievance to Step 4 of the grievance procedure, the Union may refer the grievance to advisory mediation as described below within fourteen (14) business days after the decision is provided at the third step.

- 1) The parties shall attempt to agree upon an advisory arbitrator within seven (7) business days after receipt of the notice of referral. In the event that parties are unable to agree upon an advisory arbitrator within said seven (7) business day period, the parties shall immediately jointly request the State Mediation and Conciliation Service to submit a panel of five (5) advisory arbitrators. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the Union and the City shall have the right to strike two (2) names from the panel. The person remaining shall be the advisory arbitrator.
- 2) The advisory arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and City representatives.

- 3) The City or the Union shall have the right to request the arbitrator to require the presence of witnesses or documents. The City and the Union retain the right to employ legal counsel.
- 4) The advisory arbitrator shall submit his/her recommendation in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.
- 5) More than one grievance may be submitted to the same advisory arbitrator if both parties mutually agree in writing.
- 6) The fees and expenses of the advisory arbitrator and the cost of a written transcript shall be divided equally between the City and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses.

Limitations on Authority of Advisory Arbitrator: The advisory arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement.
