

Cybersecurity

Public Education 2023

Anyone can fall victim to cybercrimes, and the City hopes this cyber fair and panel presentation will inform and educate community members, so they can avoid becoming a victim.

Saturday, September 16
9:30 a.m.

Community Hall
10350 Torre Avenue
Cupertino, CA 95014

Schedule

9:45 to 11 a.m. | Panel Discussion

11 a.m. to noon | Science Fair

After the presentation, attendees can ask questions during the Q&A. Due to the importance of this topic, this presentation will be recorded and made available on the City's website.
