Program Overview

The Law Enforcement program provides law enforcement, emergency communications, and School Resource Officers. Law enforcement services are provided by the Santa Clara County Sheriff's Office, while communications services are provided by the Santa Clara County General Services Administration. Other services include general law enforcement (patrol), traffic enforcement and investigation, detective services, and additional resources from specialized units.

The State allocates the Citizens Option for Public Safety (COPS) grant to cities and counties for front-line law enforcement purposes. Funding is allocated proportionately based on population size with a minimum allocation of \$100,000 per jurisdiction. This grant will be used to partially offset the cost of a second School Resource Officer that was added in the FY 2016-17 school year. Furthermore, the City receives an annual donation for enhanced law enforcement services (two additional deputies) in the C5 beat. The donation is \$1.0 million for FY 2023-24.

Service Objectives

- Protect life and property through innovative and progressive policing methods.
- Respond to Priority 1 emergency situations within an average of fewer than five minutes.
- Enforce the vehicle code with the goal of increasing traffic safety.
- Divert first time/minor youth offenders from the juvenile justice system.
- Provide daily on-site interaction with our youth.
- Provide annual Teen Academy during summer months providing community engagement and an introduction to law enforcement for youth (budgeted in the Public Safety Commission).

Adopted Budget

On June 6, 2023, City Council approved a budget of \$17,812,608 for the Law Enforcement program. This represents an increase of \$1,047,512 (6.2%) from the FY 2022-23 Adopted Budget.

The increase in Contract Services funding is due to contractually agreed-upon increases in salary and benefits for Sheriff's Deputies and increases in the West Valley Substation facility lease agreement.

Program Overview

The Silicon Valley Regional Interoperability Authority (SVRIA) was formed under the Joint Exercise of Powers Act (JPA) to provide interoperable communications solutions to its members. The SVRIA represents the interests of all public safety agencies in Santa Clara County through its members. It services the Santa Clara Operational Area which includes the County of Santa Clara, its fifteen cities and towns, and all special districts.

Service Objectives

SVRIA exists to identify, coordinate, and implement communications interoperability solutions to its member agencies. The purpose of these projects is to seamlessly integrate voice and data communications between law enforcement, the fire and rescue service, emergency medical services, and emergency management for routine operations, critical incidents, and disaster response and recovery.
