

CUPERTINO WANTS YOUR INPUT!

Photovoltaic Design Community Meeting

The City of Cupertino CIP Division is planning to install photovoltaic (solar panel) systems at key City facilities.

We invite you to join us for a community meeting to provide feedback on the proposed designs for each site. Your input is valuable as we move from conceptual plans to implementation.

Tuesday, October 29, 2024 | 6 - 8 P.M.

Quinlan Community Center, Cupertino Room
10185 N Stelling Rd, Cupertino, CA 95014
